Choose **labeling** that **reflects your image!**

edikio by EVOLIS GUEST

OPTIMIZE YOUR LABELING

Break new ground by printing your buffet tags on plastic cards. Display all necessary information to your customers on customized presentation tags which will enhance the look of your buffet.

A STRONGER BRAND IMAGE

- **Create eye-catching and professional-looking tags** to enhance the appearance of your buffets. Tags printed in white, silver or gold on a black card for an elegant and harmonious result.
- **Personalize your tags** by adding your own logo and choice of graphics. This will enable you to promote your brand image and reinforce your company's visual identity.
- **Showcase your buffet offer and set yourself apart:** highlight new or local products, dishes prepared on site, and any other information you wish to include.

MAXIMUM FLEXIBILITY

- **Be totally independent** by quickly and easily creating your presentation tags at your own location.
- **Be highly responsive**: in just a few minutes, you can personalize and print tags to highlight any new products in your buffet, and adapt information to suit your customers.

CLEAR AND COMPREHENSIVE INFORMATION

- **Enhance your service quality for international customers** by displaying information in several languages on your tags.
- **Meet your customers' expectations and comply with regulatory requirements** by displaying full information regarding the ingredients and origin of products on your tags.
- **Help customers make a fast and informed choice** by including all information on a single card. This will allow for a smoother flow at buffet counters and enhance your customers' experience.

THE IDEAL MEDIUM

- **The plastic card comes in various formats** for ease of readability. The different folding options increase your buffet layout possibilities by ensuring that labels are always adapted to the size of your products.
- **Because it is hygienic, sturdy and easy to clean**, this plastic card is durable and particularly suited to use in the food industry.

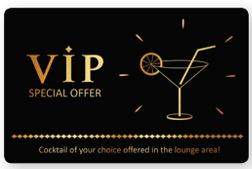
CREATE ALL YOUR OWN BADGES AND CUSTOMIZED CARDS

Take advantage of our Edikio Guest solution and its wide range of printing ribbons and plastic cards to print all your badges and customized tags. Your investment will quickly pay for itself while improving the quality of the services that you provide.

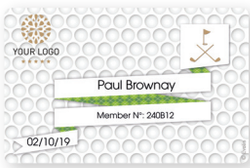
- **Event cards:** give seminar participants, wedding guests, and other event attendees ID badges and souvenir cards.

- **Discount and gift cards:** increase your turnover and allow your customers to make the most of exceptional offers displayed on plastic cards.

- **Privilege cards:** show recognition to VIP customers by giving them customized bonus cards as a token of your appreciation.



- **Cards granting access to your services:** check (either visually or using the barcodes on cards) the ID of individuals who are allowed access to your wellness facilities, spa, golf course or casino.



- **Price tags for your stores:** create easily readable and customized tags for all the products in your stores.

- **Employee badges:** identify your staff members with these high-quality badges. You can even display the languages spoken by individual employees.

- **Luggage tags:** give your customers a prestigious product by presenting them with luggage tags printed with their own personal details.

- **Hotel room access cards:** use graphics to customize your access cards and highlight your offers to customers.

EDIKIO GUEST'S ALL-IN-ONE SOLUTIONS

Edikio Guest solutions have everything you need to simply and effectively create your own presentation tags or any other type of card.

EDIKIO GUEST SOFTWARE

- **User-friendly:** easily create all your customized tags and cards using the intuitive interface and built-in creation wizard.
- **Broad content:** the software includes a library of over 150 templates for tags and cards and 350 icons for all of your design needs.

CARD PRINTERS

- **Easy to use:** Edikio printers are as easy to operate as standard office printers, reducing staff training needs.
- **Fast, high-quality printing:** depending on your printer model, it takes just 10 to 15 seconds to print a monochrome tag or card.

CARDS, RIBBONS AND TAG HOLDERS

- **Proven quality**: Edikio Guest consumables guarantee a professional result, producing tags and cards that meet your high standards.
- **A comprehensive range**: cards in different colors and formats, monochrome and color printing ribbons -including silver and gold, and various tag holders.
