SUGGESTED REPLACEMENT PRODUCTS

The APX8000 and the APX8000XE will replace the APX7000 and APX 7000XE. The APX8000 is currently available for order and the APX8000XE will be ship accepted in May, 2016 and available for order March 31st, 2016. With 4 RF bands and multi-mode system access, the APX 8000 knows no limits when it comes to interoperability. Designed with extreme ergonomics and advanced features in a wide-band, rugged form factor, the APX 8000XE is the ideal communication solution for first responders working in extreme environments.

Listed below are the APX8000 models –
