Employment Drug Testing Procedures

When applicants apply for a position at Friends Fellowship Community, they will be asked to complete this Drug Testing Form. (Note: An additional consent form will also be completed by the individual when he/she goes for drug testing.)

To begin pre-employment screening, the Human Resources Director or his/her designee will advise the candidate of the need for him/her to go for his/her drug screening test. A list of the people told to go on a given day will be maintained.

If any offer of employment is made prior to the drug test, the offer must be contingent upon receipt of negative results. The candidate should be advised not to give notice to his/her present employer prior to confirmation of negative results.

Drug testing results will be sent daily to the Human Resources Director. Positive tests will be communicated only to the Human Resources Director or his/her designee.

Once an individual has tested positive, the Human Resources Director or his/her designee will make contact with the applicant.

When contact is made, the applicant will be advised that he/she tested positive and that employment is denied. The applicant will also be told they cannot reapply at Friends Fellowship Community for one year.

All drug testing files will be maintained and stored by Friends Fellowship Community Human Resource Department.
