

# 2020 Virtual One-Day Sjögren's Patient Conference

## Saturday, November 7, 2020 12:00pm – 4:30pm (Eastern Time)

This November, join the Sjögren's Foundation for a one-day virtual Sjögren's patient conference. Sjögren's is not the same for every patient which is why educating yourself is so important. This one-day educational experience will help you take control of your health while you learn how to manage and understand your Sjögren's symptoms and complications from leading Sjögren's experts.

### Patient Conference Schedule *(all times are EST)*

#### **12:00pm**      **Welcome & Opening Remarks**

---

Steven Taylor, Sjögren's Foundation President & CEO

#### **12:10pm**      **Sjögren's: An Overview**

---

Chadwick R. Johr, MD, is Associate Professor of Clinical Medicine in the Division of Rheumatology at the University of Pennsylvania. He is also the Co-Director of the Penn Sjögren's Center and has a special interest in caring for patients with Sjögren's. Dr. Johr will present a comprehensive explanation of the range of symptoms that Sjögren's patients experience, explain their causes, and offer treatment options and practical tips for managing them.

#### **1:10pm**      **Ocular Manifestations & Sjögren's**

---

Melissa Barnett, OD, is Principal Optometrist at the University of California, Davis Eye Center in Sacramento and Davis, California. Dr. Barnett will describe the latest dry eye therapeutic treatments, covering the extensive range of options for managing your ocular complications of Sjögren's. Dr. Barnett is an internationally recognized key opinion leader, specializing in dry eye disease, specialty contact lenses, and scleral lenses.

#### **1:50pm**      **Conquering Sjögren's Together**

---

The Sjögren's Foundation continues to launch new patient, healthcare and research focused initiatives that are changing the direction of Sjögren's! Join Steven Taylor, Sjögren's Foundation President & CEO, as he shares updated information about clinical trials, clinical practice guidelines, international collaborations and much more.

## **2:20pm Autonomic Nervous System**

---

Brent P. Goodman, MD, is a neurologist at the Mayo Clinic in Arizona where he is the Founding Director of the Autonomic Laboratories and Clinic. His clinical and research interests include neurophysiology, clinical phenotypes of autonomic dysfunction, dysautonomia in Sjögren's, and autonomic neuropathies. Dr. Goodman will discuss the autonomic nervous system (ANS) which controls and regulates vital bodily functions that we don't have to think about – such as blood pressure, heart and breathing rates, and digestion.

## **3:10pm Dermatological Issues & Sjögren's**

---

Natalie Wright, MD, is a board certified dermatologist practicing in Dallas, Texas, who specializes in the diagnosis and management of autoimmune conditions of the skin. She manages the skin manifestations of lupus, Sjögren's, dermatomyositis, systemic sclerosis, sarcoidosis, and psoriasis, in addition to skin cancer and general dermatologic conditions. She completed specialized training in these disorders at Harvard Medical School and Brigham and Women's Hospital in Boston. Sjögren's patients can present with a variety of skin disorders that Dr. Wright takes special interest in diagnosing and managing.

## **3:50pm Product Showcase**

---

Sjögren's patients use a number of over-the-counter products and prescription products to treat their various complications. During this session, we will highlight the vast array of products that are available for Sjögren's patients. You won't want to miss this informative and helpful talk!

## **4:20pm Conference Recap & Closing Remarks**

---

Steven Taylor, Sjögren's Foundation President & CEO

## **4:30pm Conference Adjourns**

---

### **PLEASE NOTE:**

- ***Registrants must have a device with internet access to join the conference***
- ***Each presentation will be recorded and available for registrants to re-watch via Crowdcast for 30 days after the conference***
