A new team, a refreshing approach

Roast & Ground has been delivering five-star service to offices and other workplaces since 2002.

Our people partner, Off to Work, has been supplying large and small businesses in catering and hospitality for over 20 years.

Together we are reimagining in-office refreshment.

Brilliant coffee is just the start

With Team R&G you enjoy fabulous food and drink expertly served with a great attitude and a winning smile.

We can:

Keep your coffee machine in tip-top condition and consumables in stock so the hot drinks are always on point.

Work mornings only, to set your staff up for a great day.

Install and run that cool coffee cart you've always dreamed of.

Work till early afternoon, supplying breakfast, refreshments and grab-n-go lunches.

Be on site six-eight hours, looking after all breakfast and lunch solutions, meetings, birthday cakes, after-work drinks and more.

And all with short-term contracts for maximum flexibility.
