11. TERMS AND CONDITIONS

1. The application form and the Deed will form the agreement between the investor and IP Management Company (RF) Pty Ltd, an authorized Manager of a Collective Investment Scheme in Securities in terms of the Collective Investment Schemes Control Act, 45 of 2002 ("the Act"). The Deed is available for viewing at the registered office of the Manager.
2. Collective Investment Schemes in Securities (CIS) are generally medium to long term investments. The value of units may go down as well as up and past performance is not necessarily a guide to future performance. CIS are traded at ruling prices and can engage in borrowing and scrip lending.
3. Commission and advisor fees may be paid as per your application. Please refer to the fund summary at the back of this application form for a list of the initial fees and annual management fees applicable to each collective investment portfolio.
4. All IP collective investment portfolios are valued and priced using forward pricing at 15h00 each business day with the exception of quarter end when valuation is at 17h00 and 20h00 for fund of funds and certain funds with significant investments in CIS.
5. Collective investment prices are calculated on a net asset value basis by determining the total market value of all assets in the collective investment portfolio scheme, including any income accruals, less any permissible deductions from the portfolio namely: brokerage fees, marketable securities tax, Value Added Tax, auditors' fees, bank charges, trustee and custodian fees, and the service charges of the manager. Please refer to the fund summary at the back of the application form.
6. Units will be repurchased by the manager at the ruling price calculated in accordance with the requirements of the Act and the relevant deeds and paid to the investor only. Subject to occurrences beyond the control of IP, transaction requests received by IP before 14h30 will be actioned at that day's price. Monies from the repurchase of units will not be paid to third party bank accounts.
7. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down.
8. The manager may borrow up to 10% of the market value of the collective investment scheme portfolio to ensure liquidity.
9. The fund(s) may engage in scrip-lending activities, subject to the limits and conditions imposed by the Act.
10. The IP collective investments portfolios may at any stage be closed to new/additional investments to enable the portfolios to be managed in accordance with their mandates. It may also stop your existing debit order investment.
11. IP reserves the right to repurchase unit balances with a market value less than the minimum monthly investment amount and close the investment account. Investors will be notified beforehand should this be contemplated.
12. If the investor requests a unit certificate, IP reserves the right to repurchase units from the investor in order to pay for the stamp duty payable in respect of the unit certificate and the net number of units will be certified.
13. The clearance period on investments made by debit order is 45 (forty-five) days, in line with ASISA and PASA (Payments Association of South Africa) guidance. Should a 100% redemption instruction be issued, IP will process a full redemption and retain the value of any uncleared units. Once cleared, the remaining monies will be paid over.
14. In the event that this application form is faxed or emailed to IP, the responsibility of ensuring that the instruction has been received and actioned by IP will lie with the instructor. A fax confirmation in the hands of the sender will not be regarded as proof that IP received a specific document. IP does not accept any liability and responsibility for having acted on a faxed document that on the face of it appears valid and the investor consequently bears the risk of fraud and/or forgery. IP reserves the right to only process instructions that are submitted on IP standard transaction forms. IP reserves the right to withhold processing of any unclear, incomplete or ambiguous requests forwarded by the investor / Authorised Representative. IP will not be liable for any damages or losses of whatsoever nature arising out of IP's failure to action this instruction due to occurrences beyond the control of IP. Proof of payment and copies of all verification documentation requested must accompany this application form. IP will not be obliged to process this application form until it

has received proof of payment and the verification documentation and IP will not be liable for any loss or damage of whatsoever nature arising from the inability of IP to process this application form due to the fact that the requirements of the Financial Intelligence Centre Act, 38 of 2001 ("FICA") have not been complied with. The investor indemnifies and holds IP harmless against any loss or damage which the investor may suffer as a result of any commission or omission by IP which is a result of an obligation imposed on IP by FICA.

15. SARS requires us to pay over Dividend Withholding Tax (DWT) on your behalf where applicable. We will deduct this tax before we pay any dividends to you or reinvest into your account. Unless we receive information from you indicating otherwise, we will be obliged to withhold the default DWT of 20%.
16. The Manager does not provide any guarantee either with respect to the capital or the return of a portfolio. Fund of funds and feeder funds invest in portfolios of other Collective Investment Schemes that levy their own charges, which could result in a higher fee structure for the fund of funds.
17. The Manager retains full legal responsibility for the Fund, regardless of Co-Naming arrangements.
18. Prices are published daily and available in newspapers countrywide, as well as on request from the Manager.

22. IP reserves the right to restrict subsequent investment into a fund should the transacting behaviour of an investor be deemed to be to the detriment of the fund. This determination will be at the sole discretion of the Manager.
23. Investments will only be processed on receipt of monies and all documentation.
