ErgoStyle ES2000
Gen II Elevating Table

ES9300 with Options

The ErgoStyle™ ES2000 Gen II takes the table you know one step further, with smooth electric elevation and easy upgrades, you can customize your table to your practice setting. Our patented ErgoStyle drop elevates across the entire cushion, rather than a single pin, allowing for improved accuracy and a smoother adjustment with less force–for less stress on you and your patient. It's also fully modular, allowing for easy modifications and upgrades in the field, both now or later as your techniques and practice grow. Choose from manual drops, auto-cocking drops, various head pieces, breakaway chest, and many other options.
