MELLETTA SERIES

SUMMIT FILING CABINET

Create versatile storage options with this rustic-inspired design. Its roomy top drawer opens and closes on smooth runners for easy access storage of miscellaneous office items like notepads, pens, and folders. This filing cabinet also features a lower drawer with full extension glides that can hold letter-size hanging files to keep documents organized and secure. This file cabinet features a textured, powdercoat metal frame and corner accents for an extra touch of detail that is sure to stand out.
