Tax-exempt catering for nonprofit organizations
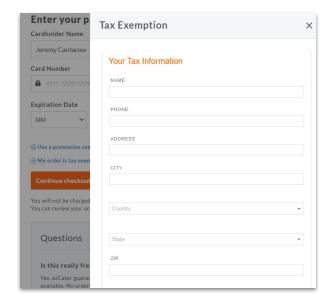

Set your status once and use it for all your orders at over 84,000 restaurants on ezCater

How to set up your tax-exempt status

Go to ezcater.com and build your order. When you reach the payment screen, click **My order is tax exempt** to get started.

Enter your organization's name, address, and reason for tax-exempt status.

Tax is removed from your order. Our team verifies your status and applies it to your account.

Food that works

For any budget. Any size group. Anywhere in the US.

Tax-exempt ordering

Once your account is verified, we default your orders to tax exempt in all states where we have a certificate on file. If you have problems, please contact taxteam@ezcater.com.

If any order is not tax exempt, simply uncheck the box labeled **My order is tax exempt** on the *Review & Place Order* screen.
