

ez cater

ezDispatch Pricing

Pricing

ezDispatch

You pay the difference of:

the delivery fee paid by the customer (less commission), and
the ezDispatch fee

the driver keeps any voluntary tip
(see details & examples below)

Effective cost of ezDispatch: flat fee

Cost of delivery if you have a flat \$25 delivery fee

Delivery Commission

Delivery fees are subject to commission based on the order source (ie. Marketplace base 15%)

ezDispatch Fee

10% of the food subtotal, with a minimum of \$30

Effective Cost

You pay ezCater the difference of the fee paid by the customer (less commission) and the ezDispatch fee

Tips

All voluntary tips go to the delivery driver

Example Marketplace Orders

Food Subtotal	\$200.00	\$300.00	\$400.00
Delivery Fee	+\$25.00	+\$25.00	+\$25.00
Delivery Commission (15% for Marketplace)	-\$3.75	-\$3.75	-\$3.75
ezDispatch Fee	-\$30.00	-\$30.00	-\$40.00
Delivery cost paid by Catering Partner	-\$8.75	-\$8.75	-\$18.75

Effective cost of ezDispatch: matching fees

Match delivery fees to the ezDispatch fee to greatly reduce the delivery cost to you

Delivery Commission

Delivery fees are subject to commission based on the order source (ie. Marketplace base 15%)

ezDispatch Fee

10% of the food subtotal, with a minimum of \$30

Your effective cost of ezDispatch is just the Delivery Commission

Tips

All voluntary tips go to the delivery driver
