## Welcome to the AABC Alaska Senior All-Star Game!

David Porter  
AABC President

Welcome to the 2011 AABC (Alaska Association of Basketball Coaches) Senior All-Star game! On behalf of our association, I would like to congratulate the 48 athletes and the 8 coaches who have been selected to play in and coach these games. We are thrilled to bring back the Alaska Senior All-Star game and hope this experience will provide lasting memories for these exceptional athletes.

Our association was introduced to help promote the game of basketball, the student-athletes, and the coaches of Alaska. Through this all-star game, we help complete part of our mission, and that is to honor and recognize players and coaches for their achievements and accomplishments in Alaska.

If you have not done so already, please take some time and check out our web-site ([www.alaskaabc.com](http://www.alaskaabc.com)) and see the direction our association is heading and has completed throughout this year. We also hope you will support the businesses that support us. Being a non-profit organization, we need continued support in order to put on events such as this one.

Frank Ostanik  
AABC Executive Board  
President

It's hard to believe that it was 23 years ago that I had the opportunity to play in the AABC Senior All Star game. I am getting a lot older, and there are a lot of things I don't remember well. However, I have never forgotten that experience and how enjoyable it was to be a part of such a great event.

I remember my coaches, Dan Eide and Peter Bakun. I'll never forget, in a crucial point in the game, going to the free throw line and looking over at the bench and seeing Coach Eide, who was a coach in our league at Valdez High School. He winked at me and gave me a nod. The look on his face was something I will never forget, and it gave me the confidence to make both shots. Several years later, I would end up coaching against Peter Bakun, who I revered. It seemed amazing to me that I had the opportunity to play for him in an all-star game and then coach against him. I was way out of my league. Of course, my Northway boys team lost to his Bristol Bay team-both times.

Why was this event possible back then? Because of the dedication and commitment to basketball by the great coaches of our state. It was their foresight and effort that made this event possible back then. I want to take a moment on behalf of all the coaches in Alaska today and thank those coaches. We are hopeful that all the coaches who made this possible back then know how grateful we are. By bringing this event back, we are honoring you, and I hope we do a good enough job to make you proud.

**Valley Basketball  
Officials Association**

The Valley Basketball Officials Association (VBOA) was formed in 2009. VBOA's mission is to recruit and train basketball officials locally. VBOA assigns floor officials to work both the middle school and high school levels, and also is responsible for assigning the table officials for many of the local high schools. In just 2 short seasons, VBOA has found their numbers increase in both floor and table officials. The VBOA has been associated with several regular season tournaments, region tournaments (both locally and outside the Valley), and has also been well represented at all levels of classification (1A-4A) in the ASAA Alaska State Tournament. VBOA looks for continued success of their officials (locally and statewide) and hopes to keep growing as the Valley continues to grow. The VBOA is proud to provide volunteer basketball officials for the 2011 Senior All-Star games!

**AABC would like to  
thank sponsors,  
coaches, families, and  
booster clubs for their  
support of Alaska high
