# Welcome to the AABC Alaska Senior All-Star Game!

David Porter  
AABC President

Welcome to the 2013 AABC (Alaska Association of Basketball Coaches) Senior All-Star Game! On behalf of our association, I would like to congratulate the 48 athletes and the eight coaches who have been selected to play in and coach these games. This is the third year in a row we have put on this great event. We are sincerely grateful to our sponsors and the coaches who have volunteered their time to make this game an event we can all be proud of.

Our association has the honor and distinction of promoting the game of basketball, the student-athletes, and the coaches in the great state of Alaska. Through this All-Star Game, we help complete part of our mission, and that is to honor and recognize players and coaches for their achievements and accomplishments in Alaska.

If you have the opportunity, please take some time and check out our website ([www.alaskaabc.com](http://www.alaskaabc.com)) and see the direction our association is heading and has completed throughout the past four years. We also hope you will support the businesses that support us. Once again, we especially would like to thank ASRC & Conoco Phillips; without their sponsorship, it would be very difficult to put on an event like this.

Jeannie Hebert-Truax  
Wasilla High School  
Head Coach

Born and raised Alaskan, I attended high school at North Pole and Monroe and pursued an education at the University of Miami, Florida. It was here that I played Division I basketball and came within one game of the NCAA Final Four. Since then, I have been teaching and coaching at Wasilla High School for over 19 years, 18 of which have been as head coach. In my time, my teams have earned me an overall record of 375-132 (73.96%).

I would like to welcome and congratulate each of the players for their years of hard work and dedication. This Senior All-Star Game is only the beginning of many accomplishments to come. I wish you all luck in your future endeavors.
