### **Update from ValueMomentum's COVID-19 Task Force Coordinators**

To ValueMomentum Associates, Clients' Task Force Representatives and Partners,

We hope this message finds all of you safe and well.

1. 15 of our Associates in India are currently positive for COVID-19 and under treatment. Immediate family members of 6 other Associates in India have tested positive and are under quarantine. 1 Associate in the US has tested positive and is under treatment. We wish them a speedy recovery.
2. As you are aware, there's a spike in the number of cases in India and with schools opening, there's a potential for cases to spike in the US too. We urge all Associates to exercise caution and stay safe.
3. The Task Force has been sharing several guidelines and research-based insights on how to balance work-life while working remote and on maintaining a positive outlook. Please be sure to review these guidelines and adopt them for your wellbeing.

Do stay safe and diligently adhere to the guidelines issued by your local governments and health authorities to keep you, your family and your community [safe](#), including [guidelines](#) on what to do if you fall sick.

Please do not hesitate to contact your Task Force Leader with any questions or concerns you may have. Do keep checking COVID-19 [website](#) and Teams ([US](#) & [India](#)) channels regularly. You can also reach the Task Force at [CTF@valuemomentum.com](mailto:CTF@valuemomentum.com).

Wishing you and your families health and safety,

Gopi Gade ("GK")  
Task Force Coordinator

Uma Gogineni  
Task Force Coordinator
