Considering the media we present is streaming and broken into several files, playback can be hampered when not using a broadband connection or if the network connection is slow or blocking the media stream. The URLs used in the Naturally Slim program should be whitelisted and are the following:

URLs

*.naturallyslim.com (site, LMS, subdomains)
cdn1.naturallyslim.com (CDN video endpoint)
ns412.page.link (weekly emails)
*.wondrhealth.com (site, LMS, subdomains)
cdn1.wondrhealth.com (CDN video endpoint)
