

BIO 800⁺ PRODUCES UP TO A 10X ROI BY INCREASING YIELD AND REDUCING THE USE OF FERTILIZERS

Holganix Bio 800⁺ charges soil with over 800 species of beneficial soil microbes to:

Earn 2-10x ROI - Get a return in just one season

Increase fertilizer efficiency

Improve yield

Promote crop resilience against environmental stressors

Build soil health

HOW DOES HOLGANIX BIO 800⁺ WORK?

Increases nutrient uptake and availability, improving yield and reducing fertilizer

Improves root growth, building stronger plants

Induces systemic resistance in plants and builds suppressive soils

Accelerates breakdown of residue and builds organic matter
