

Lumen Learning Course List for Maryland OnTrack

Lumen Learning provides affordable, easy-to-use, and ready to adopt [courseware](#) designed to improve learning using open educational resources (OER). Lumen curates the best available OER aligned to learning outcomes. Typical content includes text, video, interactives, assignments, assessments, PowerPoint slides and other learning materials, all integrating seamlessly into your learning management system (LMS).

Our catalog focuses on courses students commonly take during the first two years of college. Lumen courseware replaces expensive textbooks and online homework in these subject areas.

Standard pricing is \$30/student per course. Through **USM OnTrack**, when faculty adopt Lumen courseware for their course(s), they receive access to Lumen's *Success Accelerator* at NO COST. *Support Accelerator* supports faculty with a community and tools that help them teach effectively with Lumen courseware by sharing best practices for online course design, evidenced-based teaching practices, and more.
