

LEARNING ENGLISH IS THE FIRST STEP TOWARD YOUR GOALS

with Approach International
Student Center®

We at Approach are here to be your home away from home, and to welcome you to the beautiful city of Boston and the region of New England.

Are you ready to explore a new landscape, language, and culture? We're confident you'll enjoy everything Boston has to offer, and honestly, we think you'll fall in love with this place like we have! Living in the USA for any length of time will expose you to a buffet of flavors, sights, cultures, and history, and New England is the perfect region to start your adventure. Not only is Boston full of wonder, but the surrounding states offer unique and charming experiences: From shopping and dining in lovely metros, to climbing or skiing the mountain steps to savoring the serenity of camping or a spa retreat hidden in the evergreens. Join the many students from near and far who have chosen Boston as the site for their academic and adventure goals.

VENTURES - APPROACH ADVENTURES

Approach is your home away from home!

LOCATED IN BOSTON, MA

Approach ISC has been based in the city of Boston for over 20 years! It's no secret why we chose this beautiful city as our home.

Boston has attracted a passionate, diverse community which values cultural expression, open-mindedness, and learning. It's no wonder international students feel such a connection to the city and we at Approach feel so at home here.

This city has an academic legacy. Boston has been a global center for higher education for centuries, with nearly 50 colleges and universities in the metro area alone. It's home to some of the most prestigious and historic colleges in the world and some 100,000 students from around the globe.

Come and join the forward-thinking and vibrant student population which gives the Boston area an ambitious atmosphere. Experience it for yourself and let the vibes inspire you to pursue your dreams and adventure!

The Approach family wants you to get the most out of this opportunity and to embark on the wonderful and challenging journey of learning English with confidence. Our team of teachers and staff are here to offer support every step of the way, so that you can worry less and enjoy the journey more.

YOUR SUCCESS IS OUR SUCCESS!

WE ARE YOU - Our school was created by people just like you - International students who made the move to the US as well as Americans who have studied and lived abroad. We've been in your shoes and we know what it's like to move to a new country - it is exciting and daunting all at the same time. We can anticipate your needs and we are here to serve you! You've traveled miles to be here so we will always go the extra mile for you.

QUALITY PROGRAMS: It's in the core of our mission statement: to provide high-quality, flexible programs at affordable prices. Our accredited school has a team of professional faculty that is dedicated, passionate and extremely qualified. Our continual investment in faculty professional development means that our teachers are inspired to create interesting, fun and effective English lessons.

AFFORDABLE PRICES: We believe learning English should be accessible to everyone, so we are dedicated to providing our curriculum at the lowest possible price without jeopardizing the quality that students deserve. Our programs are priced so that it is possible for students from all over the world in any financial position to attend classes at Approach.

FLEXIBLE CLASS SCHEDULE: We understand that while learning English is an important priority in your life, it is not your entire life. Approach proudly offers more options for classes than any other school. We are open for classes 72 hours per week, including evenings and weekends, and you can personally choose the schedule that best suits your needs and availability. Additionally, we currently have two locations which students can choose from based on convenience: Boston and Marlborough.

COMMUNITY: Your friends are here just waiting for you! Moving to a new country can be challenging but the warm and welcoming atmosphere at Approach and the community you will form here will make it a lot easier. Here at Approach, you will find life-long mentors, friends, and family. We are an extensive group of individuals from all different cultures and backgrounds of education and careers. We celebrate everyone's different experiences and unique contributions to our school and are proud that we are a diverse group.

WE ARE ALL ABOUT LEARNING WITH FUN: We believe that one of the best ways to learn English is to have FUN while you are doing it. Our students can participate in our school's planned activities to socialize with staff and students outside of the classroom. Inside the classroom, our teachers provide fun and interactive lesson plans - they even take some of their classes outdoors! With extra curricular activities, clubs, seminars, and alumni events, you can be sure you will be a part of something more than just a class or a course.

ADVISING FOR SUCCESS: At Approach, we want you to be successful in all of your endeavors before, during, and after your career at Approach. Learning English is just the first goal of many that we will guide you through. Our Academic and Career Advisors are trained to help you to learn about opportunities, define your short and long-term goals, and create a personalized roadmap to successfully obtain your defined goals. Dream big at Approach and we will help you to get there.

20 YEARS OF EXPERIENCE - We have over 20 years of experience teaching and changing the lives of International students within the USA and all over the world. No matter where you are starting from or the level of English you are starting with, we are equipped to get you exactly where you want to be to unlock your full potential here in the United States. So, what are you waiting for?
