Sample script: "I'm calling to ask if I could count on you to donate to my school, Veritas Academy, during the ExtraOrdinary Give on November 19. This is our school's only major fundraiser for the year, and donations on that day will be matched and stretched so they'll go even further to help Veritas! Any donation amount is welcome, and my class gets a reward if we meet our goal. Are you able to commit to donating to Veritas during the ExtraOrdinary Give on November 19?"
