

An aerial photograph of a city at sunset, with a large pink and green graphic overlay on the left side. The pink shape is a large semi-circle, and the green shape is a smaller circle. The city is densely packed with buildings, and the sun is low on the horizon, creating a warm, golden glow.

Supplier Framework Guide

Key Framework Information

Key Framework Information	
Start Date	31st January 2022
End Date	30th January 2026
Contract Notice	2021/S 000-023377

Evaluation Model

The Framework was subject to an 'Open' procurement procedure in accordance with the Public Contracts Regulations 2015 and Public Contracts (Scotland) Regulations 2015.

The Framework was awarded based on 60% / 40% quality vs price and can be amended +/- 20% for further competitions.

How can you access this Framework?

Framework access is subject to our terms and conditions of membership which can be found on our website. Membership of Fusion21 is free and the registration process is simple. It can be completed online by visiting our website:

<https://www.fusion21.co.uk/become-a-member>

Framework Call-Off Agreements

The Framework offers flexibility in the Framework Supplier appointed through the Direct Award procedure. Members can select the supplier who is best placed to meet their needs and deliver value for money.

There are four main methods of call-off from this Framework Agreement:

1. Direct Award without reopening competition to Suppliers; or
2. Direct Award with negotiation without reopening competition to Suppliers; or
3. Further Competition between suppliers capable of delivering the works required; or
4. Further Competition with two stages, suitable for complex projects.

Fusion21 Members can utilise under this Framework Agreement the following standard form contracts.

- JCT 2016 suite of contracts
- NEC3 or NEC 4
- PPA

In addition, under this Framework Agreement Fusion21 Members may also utilise a bespoke form of contract subject to agreement with selected supplier.
