

NeuPath to Host Investor Webcast on July 21, 2021

TORONTO--(BUSINESS WIRE)--July 14, 2021--NeuPath Health Inc. (TSXV:NPTH), (“NeuPath” or the “Company”), owner and operator of a network of clinics that deliver category-leading treatment for chronic pain, as well as spinal injuries, sports-related injuries, and concussions, today announced that it will host a webcast investor presentation on Wednesday, July 21st, 2021 at 2:00 PM ET.

During the webcast, Grant Connelly, CEO of NeuPath will conduct a PowerPoint presentation that will cover key areas of NeuPath’s business. After the formal presentation, investors will have an opportunity to ask relevant questions through an interactive Q&A portal.

To listen to the webcast or to ask questions during the live event, please pre-register at the following link:

About NeuPath

NeuPath is a vertically integrated health care provider utilizing research, data-driven insights, technology, and interdisciplinary care to help restore function for patients impacted by chronic pain, spinal injuries, sport-related injuries, and concussions. With equity ownership in fifteen clinics in Ontario and Alberta, NeuPath is building out a large-scale network to better serve patients across Canada and the United States. NeuPath is focused on transforming the hope of a better life into the reality of a life more fully lived.

Forward-Looking Statements

This news release contains forward-looking statements. All statements, other than statements of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future. These forward-looking statements reflect the current expectations or beliefs of the Company based on information currently available to the Company. Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of the Company to differ materially from those discussed in the forward-looking statements, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, the Company. Factors that could cause actual results or events to differ materially from current expectations included in this news release include, among other things, the severity, duration and spread of the COVID-19 outbreak, as well as its direct and indirect impacts that the pandemic may have on the Company’s operations, adverse market conditions, risks associated with obtaining and maintaining the necessary governmental permits and licenses related to the

business of the Company, increasing competition in the market and other risks generally inherent in the chronic pain, sports medicine, concussion and workplace health services markets. A comprehensive discussion of these and other risks and uncertainties can be found in the Company's annual information form dated March 25, 2021 filed on SEDAR under the Company's profile at www.sedar.com.

Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Although the Company believes that the assumptions underlying the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to their inherent uncertainty.
