LANE DERMATOLOGY

Lane Regional  
Medical Center

*Care You Can Count On*

*At Lane Dermatology, our board certified dermatologists offer skin care for the whole family.*

*There are over 3,000 common conditions affecting the scalp, skin and nails. Our first priority is to keep our patients healthy so that the skin, our body's largest organ, successfully serves as the first line of defense against germs and illness.*

Our medical services range from care for minor skin conditions to complex health concerns including cancer, staph infections, and autoimmune conditions.

Our goal is to ensure the overall health of our patients by successfully treating skin issues and managing chronic conditions.

Whether you need an annual screening or immediate attention for an ailment, our experienced dermatologists can help.

Ask us about Botox services and other skin care options!
