Background

Central PA Technologies (CPT) is a fully integrated Managed IT-support organization, specializing in innovative services and solutions for small and medium sized businesses. We deliver proactive, secure, and effective technology service through continuous monitoring and ongoing support, increasing productivity and greatly reducing any potential for downtime.

We believe in traditional values where businesses are honest in their practices. We strive to provide a quality experience for our clients while maintaining their trust and respecting their budget.

Located in Central PA, our team has an average tenure of 20 years of experience supporting a wide variety of customers. Our dedication has helped us to expand and grow alongside our partners for nearly a decade, with clients extending to all corners of Pennsylvania and several other states.

CPT is a verified Veteran-owned Business and certified as a Small Business Enterprise by the Commonwealth of Pennsylvania.

Equal Opportunity Partner

CPT is an Equal Opportunity partner who will not discriminate against any employee or client applicant because of race, color, religion, national origin, gender identity, sex, disability, or age.

One Last Thing

If you want to fast-track our response to you, please record a 1-2 minute video introducing us to your company and why you would be a good fit. Email it via YouTube or Vimeo to: info@centralpatechnology.com
