HOW WE'RE INNOVATING

Innovating for our Armed Forces

Driven by re-invention, Day & Zimmermann implemented the loading of newly-developed Insensitive High Explosives into our latest field artillery projectiles, the M795. This accomplishment has resulted in being the only facility within the United States that can safely produce this ammunition and offer our forces the safety and capabilities it provides.

HOW WE'RE INNOVATING

Global Pharmaceutical Firm Workforce Solution

D&Z's Yoh division developed a Vendor Management System (VMS) for a global customer who was struggling to access information related to their contingent workforce (cost of hire, average contractor tenure and supplier performance). The VMS introduced robust reporting capabilities that have given stakeholders' control and visibility into their talent acquisition process through extensive workforce statistical data, metrics and financial reporting as well as real-time access to status and approvals.

HOW WE'RE INNOVATING

Protective Force at Nevada National Security Site

SOC, a Day & Zimmermann company, leads a team created specifically to set a new standard of protective force excellence. We apply our collective team experience to bring a fresh approach to sustain and strengthen all Nevada National Security Site Protective Force operations to ensure our Nation's critical assets are safeguarded, regardless of the potential threat.

**WHAT MAKES
US BETTER**

BETTERMENT

We are The Original Betterment Company®—a family-owned diversified business founded more than a century ago by Charles Day, whose betterment reports helped modernize American factories.

Today, we're still in the business of betterment, delivering advanced talent and technical solutions in complex environments.

With 41,000 employees working around the world, together we help leading corporations and government agencies do their best work, better.

We believe that betterment—our unique approach to continuous improvement—is best achieved through accelerating cycles of innovation and efficiency occurring across all levels and all functions. Over time, this leads to exponential success in a changing world—for our customers and our employees.

BUILD A BETTER YOU

We hire the best people who are aligned with our vision and are committed to creating Betterment for both themselves and our customers. Our goal is to make sure you know who we are, what we do and what we have to offer. If you decide to join us, you will have the opportunity to grow and develop and to Build A Better You.

Our Build a Better You program includes various elements of culture, work and rewards. It is designed to prepare you to discuss your expectations for these elements and ensure that Day & Zimmermann is the right fit for you and your desired career path.

DIVERSITY & INCLUSION

We are a company that embraces diversity, is inclusive, and thrives on learning so that our employees feel respected and invited to contribute to the success of our company, clients, suppliers and communities. We foster a diverse workforce where employees feel comfortable bringing their unique perspectives to work.

We expect each individual—no matter what their level, role or function is—to play an active role in creating environments where people of a diverse range of backgrounds are excited to bring all of who they are and are motivated to do their best work.

CULTURE

It's no secret that the stronger the company's culture, the more likely the company will be successful. Success is a Core Value at D&Z and building a great culture takes hard work. Giving people an ideal environment to work helps them feel proud and trusted in their jobs.

A career at D&Z can offer you an opportunity to Build a Better You—both personally and professionally. At D&Z, we are serious about finding the best people—those with a desire to dive deeper into complex issues, develop innovations big or small, and relentlessly pursue Betterment.

INVEST IN YOUR CAREER

Our people are our greatest asset, which is why we will always invest in them, and why we will invest in you, too. We encourage you to keep your mind sharp and continually improve your skills through various learning and development programs.

There are an array of learning opportunities available so that you can continue to learn and grow with us. Opportunities include:

- › Challenging work
- › Mentoring
- › Cross-functional, collaborative project teams
- › Online learning curriculum
- › Training programs
- › Leadership development programs
- › Employee Resource Groups projects
- › Tuition reimbursement

REMOTE-FRIENDLY AND FLEXIBLE OPPORTUNITIES

We want to provide our employees an environment where they can do their best work. Some people work best on-site, while others work best from a home office. To ensure the success of our employees, we offer flexible scheduling and remote options in many locations—giving our employees the work-life balance necessary to make them happier—and more productive.

We’ve always believed in making work better—both for our customers and for everyone working at Day & Zimmermann. That’s why we’re committed to building a future of work that’s more connected, inclusive and flexible.

**Remote-friendly and flexible opportunities vary based on location and position.*

EXPLORE OUR COMPANY

Before you interview with us, take time to learn about who we are and ensure that we are right for you. It's important that our purpose is in line with your values and that our culture aligns with yours.

Like any organization, our culture differs depending on your manager, team, building, function, division or country you are in. To get a real time peek into our company, take a look at our social media channels:
