

Washington State Horse Park

2022 CROSS COUNTRY SCHOOLING

WHAT'S AVAILABLE

The Park has two cross country courses that are open April through October, weather and footing permitting. The East Course (also known as “the derby field”) is close to stabling and the West Course is a short (20 min) walk away on conservation land. The East Course is 15 acres of lightly wooded, varied terrain including water, bank and ditch obstacles and portable cross country jumps from Starter through Training level. We continue to add more open space and alternative routes. Throughout the season, the East Course is available for camps/clinics and schooling activities – advance reservations required.

The West Course, on an adjacent 110 acre parcel of lightly wooded conservation land, includes an international-caliber water complex comprised of 2 ponds, a sunken road, mound and coffin and other obstacles for Preliminary and Intermediate levels. The Intermediate level is used for competitions only – **no schooling over the Intermediate obstacles at any time.**

Schooling Arrangements

- Send email request to director@wahorsepark.org well in advance. Provide desired schooling date and time, number of riders, trainer’s name and organizer’s contact information.
- All riders must be accompanied by a trainer who has current professional liability insurance of at least \$1 million. The trainer’s insurance agent/broker needs to provide a Certificate of Insurance stating three (3) additional insureds: Washington State Horse Park as facility operator; and the City of Cle Elum and Suncadia as property owners/landlords. (Note: Ask for the Certificate to be issued for the entire policy period so the trainer doesn’t need to provide one for each visit to the Park. The cost of these certificates varies by insurance company and sometimes is included in the policy premium.) The Certificate is to be scanned and emailed to director@wahorsepark.org and must be received and accepted no less than 48 hours prior to schooling.
- Please call 877-635-4111 the day before to confirm arrival time.
- **Prior to or upon arrival at the Park, ALL riders must complete the Park’s Registration form, sign the Liability Release and submit both with payment before mounting** (forms & payments can be completed online or printed at www.wahorsepark.org and turned in to Park drop box/office) – **there are no exceptions to this requirement, including those schooling the West course (Prelim).** Note: Riders under 18 years of age must have their Liability Release signed by a parent or legal guardian only – complete online or bring this with you if the parent won’t be onsite. NO trainers or other adults may sign the Release on behalf of a parent/guardian.
- All riders must wear safety vests, helmets and footwear with a heel.
- Riders are to stay on cleared ground and groomed footing for safety and to preserve the terrain.

FEES – 2 HOUR SCHOOLING SESSION

Fees are per rider/horse and include the use of arenas and trails for the same day.

STANDARD RATES

Adults: \$55 Youth: \$40

MEMBER RATES

Adults: \$44 Youth: \$32

As a convenience, if empty stalls are available, you may arrange with the on-site Park Manager to use an unbedded stall for up to 4 hours for an additional \$10. If your horse paws or tends to tear up the gravel, you may not use a stall. Please clean all manure and hay from the stall and put it on the manure pile before leaving.

For more information and details contact 877-635-4111 or director@wahorsepark.org.
