**Dalebrook<sup>®</sup>**  
**OMNI**

## Who cares? We care!

At last, Dalebrook brings you **OMNI**®, a revolutionary, meaningful, designed for purpose, melamine dinnerware range.

Created in response to a real demand identified by our customers who are unable to source a suitable dinnerware range for the healthcare sector.

Our in-house design team have worked with hospitals, care homes, carers and persons living with dementia to create a fit-for-purpose healthcare dinnerware range that generates a positive dining experience.

With over 70 years' industry experience, Dalebrook are world-leaders in the design and manufacture of melamine food display.

Our deluxe dinnerware collections have the elegant appearance of porcelain, with all the benefits, strength, and durability of melamine.

Forward-thinking caterers and food service experts around the world are creating stunning food displays with our classic and contemporary tabletop solutions.

Please contact us on the details below.

*A unique and innovatively designed premium melamine tableware solution to support independence and promote dignity within the healthcare sector.*

**OMNI**®

# OMNI®

OMNI, a dinnerware range for the health and social care sectors.

Sturdy, durable and virtually unbreakable, OMNI premium melamine dinnerware and drinking aids promote equality, maintain dignity, encourage independence, and wellbeing.

With discreet features designed to empower those who have difficulty in using traditional porcelain crockery or fine china, OMNI can be used by anyone, anywhere with confidence.

- made from 100% food-safe premium melamine
- BPA-free
- melamine is a great insulator it keeps
  - hot food and drink warm
  - cold food and drink cool
- durable, strong and practically indestructible
- has the appearance of porcelain
- dishwasher safe
- considerably reduces the impact of noise during service

If you require a custom piece or color, our design team specialise in creating and producing new concepts from the ground-up.

- raised domed base for ease of cup and mug location

**OMNI**<sup>®</sup>  
*Who cares? We care!*

## OMNI<sup>®</sup> Shallow Plates

Perfect for general service;

- sturdy and durable so fewer breakages
- lower noise levels during service than standard porcelain
- designed to work with a standard cloche
- a great insulator so no need to pre-heat
- nestable for ease of storage

## OMNI<sup>®</sup> Bowl

The perfect bowl for general service;

- 14oz capacity
- great thermal properties to assist in keeping food warm or cold
- wide, stable, self-righting shape
- anti-slip silicone feet

## OMNI<sup>®</sup> Deep Edge Plates

**OMNI Deep Edge Dinner Plate and Deep Edge Side Plate** - replace the need to use a separate food bumper, the deep internal wall aids diners who may push food off the plate because of a lack of coordination, limited muscle control or dexterity.

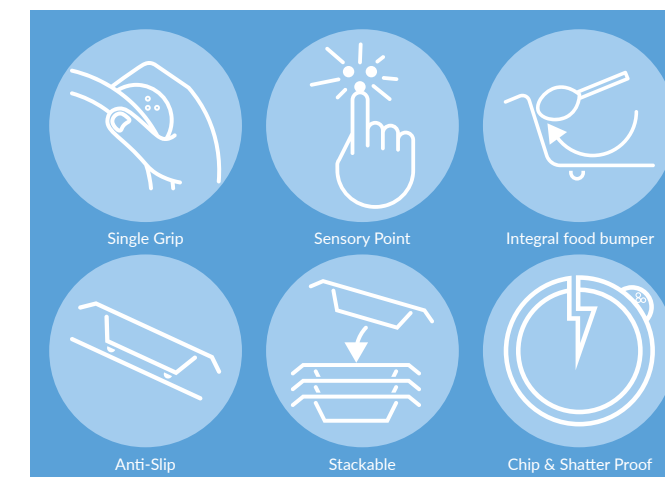

- stable anti-slip silicone feet
- muscle memory sensory points
- deep internal wall
- wide rim for grip
- nestable for ease of storage
- a great insulator so no need to pre-heat

Support handle  
for single-handed grip

OMNI  
Deep Edge Plate

*Discreet features designed to empower diners requiring additional support*

*Alzheimer's and Dementia sufferer's food intake increases by up to 25% when high-contrast tableware is used.*

### *Design in mind*

"Research by Boston University in 2004 has concluded that advanced Alzheimer's patients' struggle to process visual data—like contrast and depth perception when eating off standard white plates. Food intake increases by up to 25% and liquid intake increases by up to 83% when high-contrast tableware is used."

**OMNI®**

*Deep Edge Red Alzheimer's and Dementia Plate*

This purpose designed plate encourages food recognition and eating by Alzheimer's and Persons living with dementia. This plate has a positive impact on the challenges of recognising food caused by visual impairment.

**OMNI®**  
*Drinking Aids*
