

# Visitor Policy

VersaCold's new visitor policy applies to anyone from outside the company. To maintain the health and safety of our site employees, please abide by the guidelines, below.

## Book Your Visit Ahead Of Time

- Visitors must request permission in advance and get approval before arriving
- Visitors may not show up without providing advance notice

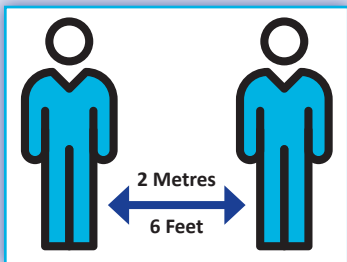

## Wear A Mask

- Visitors must wear a mask at all times while visiting any VersaCold facility
- Visitors must exit the facility with their mask

## Wash Your Hands

- Visitors must wash or disinfect their hands immediately upon entering and prior to leaving the facility

## Keep Your Distance

- Maintain a 2 meter perimeter from others
- No handshakes or physical embraces

**Cancel your visit before you arrive if you begin experiencing any symptoms of COVID-19.**

Once on site, abide by all physical distancing practices being observed at the facility.

By following these procedures, you will be helping VersaCold ensure the safety of all employees.
