Brand New Short Courses

DMI TRACKS

Digital Strategy

[Type your URL here and left align]

Interested in developing your digital strategy skills even further? Are you ready to take the next step in improving your career capabilities?

Why not open doors to new opportunities with our **Digital Strategy DMI Tracks**. This brand new short course is tailor made for those who are already working in a Digital Strategy position, but are eager to master their skills for an evolving digital world.

What It's All About?

You're probably wondering, what are DMI Tracks? They are designed to deliver Just-in-Time learning and digital readiness for students and professionals alike. Our Tracks consist of specialized bite-sized lessons, complete with interactive learning tools that target competency and readiness for those in specific digital marketing roles and disciplines. They focus on upskilling and providing performance support for people in digital marketing roles who want to be on top of their professional game.

How are DMI Tracks Different?

DMI Tracks are not like your average course. In fact, they're much different. They contain a broad variety of interactive tools to suit all learning styles. Each DMI Track is bursting with the latest industry insights, expert driven case studies and best practices, quick reads, webinars, presentations, downloadable tools and much more. DMI Tracks content can be consumed in any sequence, and they're designed to deliver learning in short bursts. Varying between 8-12 hours, each DMI Track will award you an Associate Certification.

Each course includes:

- Cutting Edge Content
- Interactive Learning
- Performance Support and 'Readiness'
- Quick Reads
- Toolkits and Templates
- Soft Skills
- Relevant Technical Skills

Who Is It for?

The Digital Strategy DMI Track is aimed at:

- Head of Digital
- Digital Marketing Managers
- Digital Account Managers
- Sales Directors, Digital Sales Managers
- Community Managers
- Head of Social
- Ecommerce Managers
- CRM Manager
- Head of CX, Head of Sales Enablement, and Customer Success Managers
