Interested in developing your PPC skills even further?
Are you ready to take the next step in improving your
career capabilities?

Why not open doors to new opportunities with our **PPC DMI Tracks**.
This brand new short course is tailor made for those who are already
working in a PPC position, but are eager to master their skills for an
evolving digital world.

What It's All About?

You're probably wondering, what are DMI Tracks? They are designed
to deliver **Just-in-Time learning** and digital readiness for students
and professionals alike. Our Tracks consist of specialized bite-
sized lessons, complete with interactive learning tools that target
competency and readiness for those in specific digital marketing
roles and disciplines. They focus on upskilling and providing
performance support for people in digital marketing roles who
want to be on top of their professional game.

How are DMI Tracks Different?

DMI Tracks are not like your average course. In fact, they're much different. They contain a broad variety of interactive tools to suit all learning styles. Each DMI Track is bursting with the latest industry insights, expert driven case studies and best practices, quick reads, webinars, presentations, downloadable tools and much more. DMI Tracks content can be consumed in any sequence, and they're designed to deliver learning in short bursts. Varying between 8-12 hours, each DMI Track will award you an Associate Certification.

Each course includes:

- Cutting Edge Content
- Interactive Learning
- Performance Support and 'Readiness'
- Quick Reads
- Toolkits and Templates
