RE: JOB TITLE

Dear NAME,

With an education background in the AREA OF PUBLIC HEALTH, understanding of the rules and regulations in the SPECIFIC PART OF THE PUBLIC HEALTH industry, as well as expertise in both internal and external relations, I am confident that my qualifications match COMPANY. My expertise lies in my ability to effectively engage with diverse populations, identify and resolve issues, and develop innovative solutions for achieving a wide range of XYZ strategies. I am certain I would make a valuable addition to your team and look forward to contributing to your ongoing success.

As a member of your exceptional PDQ team, I will provide:

- Engaging leadership to inspire and encourage consistent implementation of SKILL 1 and SKILL 2 across the organization.
- High attention to detail and professionalism when representing COMPANY to external entities.
- Cross-functional communication skills and the ability to manage multiple contact points within organizational departments using innovative problem solving methodology.
- Objectivity, honesty, and resourcefulness to look at challenges as opportunities.

With the requirements of my Applied Practice Experience in my Masters in Public Health, I am currently seeking a volunteer opportunity that would allow me to bring my strengths within the AREA OF PUBLIC HEALTH field to a flexible team environment. The mission of COMPANY closely aligns with my personal love of supporting our thriving and healthy community in CITY, STATE.

If you are seeking support with PROJECT 1, PROJECT 2 or have another idea of a way I can support your organization, please consider what I have to offer. I look forward to exploring this opportunity with you further.

Ready to make a difference,

John Doe
