FROM THE PRINCIPAL . . .

God sends a {reluctant} sinner like me

The themes for the first few weeks of this school year helped us identify who it was that was sending us. The focus on the work of the Father, Son, and Spirit demonstrated how God has created, loved, redeemed, and empowered. This is really critical for us as we understand our theme for this school year. For the next few weeks, we will focus on who we are in this sending relationship.

We are reluctant. In chapel this week, we talked about reluctance of individuals who were called throughout Scripture. We looked at Moses, Jonah, King Saul, Paul, and Judas as individuals who received a specific calling from God. For various reasons, each was resistant to that call.

But Moses said to God, “Who am I that I should go to Pharaoh and bring the children of Israel out of Egypt?” (Exodus 3:11)

Now the word of the Lord came to Jonah the son of Amittai, saying, “Arise, go to Nineveh, that great city, and call out against it, for their evil has come be before me.” But Jonah rose to flee to Tarshish from the presence of the Lord. (Jonah 1:1-3)

We too are reluctant to the calling that God puts onto our life. Being called into His presence reveals how unworthy we truly are. It shows our shortcomings. It is disconcerting because it is often in direct opposition to our flawed human nature. It is more comfortable for us if we try to avoid or reject that calling.

And yet, the stories from Scripture reveal that despite the reluctance of man, God continues to work through His people. Even us, who feel unqualified or inadequate in some way have been given the incredible Spirit of God in our lives. He not only calls His people, but also equips them for the task. When we begin to understand that God does not abandon His people, but instead blesses them through these tasks, we can begin to sense the value that God puts on each one of us. Despite our reluctance and fear, we have been given incredible power and authority – through Jesus Christ – to be able to faithfully respond: Here I Am. Send Me (Isaiah 6:8)

Greetings,

Another great week has come and gone. We heard some really good messages in chapel this week. I would encourage you to talk to your student about what goes in our chapel services every Monday, Wednesday, and Friday.

Each week I will have some friendly reminders about the way we do things at MLHS. If you have any questions about policies/procedures, please contact me at 414-461-6000X205 or jkalkopf@milwaukeelutheran.org

Drop Off/Pick Up/Tardies
- Plan on arriving to MLHS by 7:50 AM. This gives your student a window of time in case there is traffic. It also gives them plenty of time to make it to their first class by 8:00.
- Continue to be patient for after school pickup. There are a lot of cars in our parking lot and along Grantosa. We want everyone to be safe during this time.
- For after school pick up, we will be having the cafeteria available for students to wait there instead of waiting outside.

Phones/Air Pods
- We do not allow phone use at any time during the school day. All phones should be in backpacks or lockers. If you need to communicate with your student, please call the attendance office.
- We do not allow use of ear buds/air pods. I strongly encourage you to not let your student bring them to school.

Grades
- Teachers are entering grades in Skyward. If you do not have access to your student's Skyward account, contact their academic advisor.

Dress Code
- With the weather getting colder, please have your student dress accordingly. We do not allow winter jackets to be worn in the classroom.
- For the hooded sweatshirts, we do not allow musicians/tv shows/movies.
- Hoods cannot be worn over the head.

Lunch
- If your student does not plan on eating the free hot lunch, please have them bring a lunch. It also might be a good idea to have them bring a water bottle as we only have 1 vending machine in the cafeteria.
- Reminder that no Door Dash or other outside deliveries are allowed.

The verse of encouragement I would like to leave with you is from Psalm 86:5 - "You are forgiving and good, O Lord, abounding in love to all who call to you." Have a great weekend!

God's Blessings,
Mr. Joe Kalkopf
MLHS Dean of Culture

Are you a parent of a student in choir or band? If so, the music parent organization (MLHS Music Boosters) needs your help!

It’s time again for our BIGGEST fundraiser of the year: The 41st Annual MLHS Artisan Craft Fair and Bake Sale on Saturday, November 13th!

The goal this year for our craft fair and bake sale is to raise $7,000 for the music department so that we can have things like additional risers, portable acoustic shells, and instruments. We are also hoping to raise money to help reduce the tour fees for students!!

These extras that enhance our children’s education do not happen unless we, the parents, make it happen. **We really need your parental help to make it happen!**

We are seeking parents who would be willing to help plan the craft fair. We need people who can help with our raffle, planning the decorating, putting out signs in the community, marketing the event online and in newspapers, and helping plan the bake sale. **If you are willing to step up and help in any of these roles, please contact me right away at aschlie@milwaukeelutheran.org or 414-641-6000.** We have directions for each of these things, we just need people to help fill the roles!

I know this year poses a special challenge, but I hope that you will consider reaching out to help, especially if you are the parent of a freshman or sophomore or junior. Your help will make all the difference.

Thank you so much! Let me know if you have any questions.
Abbie Schlie
Music Booster Parent &
Craft Fair Coordinator

**Some of the ways that you can help can be done completely from your home; others require a few hours commitment at school before the event and some require help during the event. Many hands make light work!**
ATHLETICS . . .
Milwaukee Lutheran Athletics Week of November 1st to November 6th:
Please refer to our website for Athletic events:
www.RedKnightAthletics.org

Fall sports are fundraising with a new platform  The 2021 fall season is gearing up as we head towards the WIAA postseason and we are reaching out to YOU for support. Your generosity and backing has been essential in providing exceptional experiences for our student-athletes. This is why we are excited to share our new fundraising platform for our fall athletic programs! (Winter athletics coming soon.) Go Red Knights! Click here to support your team.

Winter sports registration is now open!  For those that did not play a fall sport, this is a new registration site. The directions below will walk you through the registration.  Please note: If your athlete is on the alternate year of a physical, the alternate year card is built into the registration (there is not an actual card).

Athletes who participated in a fall sport need to log in to their existing family account, select the student they wish to register, and fill out any missing details. You should not create a “new student” if the registrant participated in a fall sport.

The only stipulation to that is if Child "1" participated in fall sports and now child "2" wants to participate in winter, the family should still log in to their existing account, then create a new student within their family account.

Athletes that did not participate in the fall should create a new family account. Please use the steps below:
1. Go to redknightathletics.org
   Select “Activity Registration”

2. Set up a Parent Account
   Once the account is set up, please go to your email that you entered in the set-up and follow the directions to confirm your account. This must be done before you can proceed.

3. Now you will be at the point where you will fill out the registration.
   Please note: you will need to enter your students full name and date of birth.
   Ex: If your student’s name Johnathon Smith-Walker you must enter exactly that.
   Not: Johnny Smith or Johnathon Walker

4. In step 4 you will be prompted to upload your physical form completed and signed by your doctor and parent. You may skip this step if you plan to bring your physical to the office.

5. Complete all seven steps in the registration. At the end of the registration is where you will pay the sports fee by credit card. Please note: that until the sports fee is paid, your registration is not complete. If your athlete does not make a team, your sports fee will be refunded.

6. Once you have submitted your registration, you will be sent a confirmation email notifying you of your registration completion. Your registration will say “pending” until it is cleared by the Athletic office.

***All Athletes must be registered and have their physical submitted before the first day of practice***

**SWD Teachers and Administrators of the Year – Nominations Now Open!**

Our Lutheran schools have the privilege of sharing the love of Jesus every day with students and families. Our schools are exceptional because of great teachers and leaders. Each year, the South Wisconsin District honors those teachers and leaders who are truly extraordinary. In the past, we have used the Kohl Foundation Teacher Fellowship process to determine these awards. This year, our district awards are no longer tied to the Kohl Foundation Teacher Fellowship. Our teachers are certainly encouraged to apply for a Kohl Foundation Teacher Fellowship, but the WCRIS and the SWD are no longer involved in the scoring of these awards. To be eligible for the SWD Teacher/Administrator of the Year, an educator simply needs to be nominated through the appropriate nomination link below or on our district web page. This means that the nominated teacher does not have to fill out any application!

The nomination window is open from October 1 until November 15. Winners will be notified no later than December 15. All award winners from 2021 and 2022 will be recognized at a banquet tentatively scheduled for January 23, 2022 at a location TBD. Please share the nomination links below:
