FROM THE PRINCIPAL . . .

God sends us when God creates opportunities

God has created each of us as His people. He has redeemed us from the eternal weight of our sin. He has called us to His purposes. We have covered each of those concepts throughout this year. But God also puts us into the situations and opportunities where He needs us.

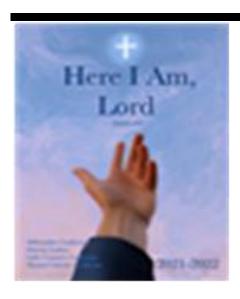

He has created us for the opportunities that we encounter daily. Nothing is circumstance or accident. The people that we interact with, the time and place in which we live, and situations we find ourselves in – all are by His design. He has put before us a purpose and a mission to serve our neighbor. We are created to use the opportunities given to serve others in good works. Martin Luther said it this way: "God does not need your good works, but your neighbor does."

For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them (Ephesians 2:10)

Who gave himself for us to redeem us from all lawlessness and to purify for himself a people for his own possession who are zealous for good works. (Titus 2:14)

We are called to be passionate about carrying out the calling of God for the benefit of those around us. Throughout history, those who have served others using the gifts of God have brought Him glory. We too are called to hear that calling and use the opportunities God gives to us. (*Isaiah* 6:8)

On Tuesday, March 1st the City Mask Mandate is being allowed to expire. OFFICE of SCHOOL CULTURE/Dean of Students

Greetings,

Reminder that parent-teacher conferences will be held Thursday night, March 3, and Friday morning, March 4. This is such a great opportunity for there to be face-to face communication for parents and teachers to discuss students' education. I look forward to seeing many parents on Thursday or Friday.

We had a special Black History Month assembly this morning. It was great to see so many students involved as they focused on Black Excellence. I encourage you to talk to your student about the message from this morning.

Every month each departmentat MLHS selects a Student of the Month. Congratulation to our January winners:

Staff vs Student Basketball Game! Mark your calendar for Monday, March 14th! MLHS's staff will be taking on the students in a full basketball game at 4pm! Help us fill the stands and cheer on the teams! Members of our varsity boys' and girls' teams will be coaching!

Talent Show! Save the date for our Talent Show on Thursday, April 28th! (Please note the date change.) If you are interested in auditioning, see Miss Vonderheide. Auditions will take place the first week in April.

If you are interested in attending Prom this year but do not have access to a dress, please see the announcement on the next page from Melissa Mariscal, Volunteer Coordinator for the Cinderella Project MKE.

Cinderella Project MKE is back for Prom 2022! SAVE THE DATE April 2nd!

I am with the organization known as EmPOWER YOUth Foundation. We are a charitable organization whose mission is to eliminate negative barriers affecting youth and their families; replacing these obstacles by fostering self-esteem with positive experiences that build autonomy, while enhancing the community.

The Cinderella Project MKE has been our annual event since our organization's inception. We have helped send over 1,000 girls to prom! Prom is an important time for any high school student. We aim to help alleviate some of the costs by providing a free prom dress to deserving young ladies in the community. Our goal is to instill self confidence and self worth with our workshops, which we hope will lead to good decision making during this important time in their lives. Their day starts with a fun and informative workshop. We want them to know how strong, smart and beautiful they are! Afterwards they will meet their "fairy godmother" who will help them select from the thousands of dresses to find the perfect one.

Applications will be open March 1st. We received a very generous donation from Macy's department store of brand new dresses that will allow us to help so many more applicants than ever before. We will have music, food, giveaways and even hair and makeup.

Visit <u>www.cinderellaprojectmke.com</u> for more information.

ATHLETICS . . .

Milwaukee Lutheran Athletics Week of February 28th to March 5th: Please refer to our website for Athletic events:

www.RedKnightAthletics.org

SPRING SPORTS are less than two weeks away! All athletes should be registered on-line and have a current physical turned in before the first day of practice. For those that did not play a fall or winter sport, this is a new registration site. The directions below will walk you through the registration.

Athletes who participated in a fall or winter sport need to log in to their existing family account, select the student they wish to register, and fill out any missing details. You should not create a "new student" if the registrant participated in a fall or winter sport.

The only stipulation to that is if Child "1" participated in fall or winter sports and now child "2" wants to participate in spring, the family should still log in to their existing account, then create a new student within their family account.

Athletes that <u>did not participate in the fall or winter</u> should create a new family account. Please use the steps below:

1. Go to redknightathletics.org

Select "Activity Registration"

2. Set up a Parent Account

Once the account is set up, please go to your email that you entered in the set-up and follow the directions to confirm your account. This must be done before you can proceed.

3. Now you will be at the point where you will fill out the registration.

Please note: you will need to enter your student'901s full name and date of birth.

Ex: If your student's name Johnathon Smith-Walker you must enter exactly that.

Not: Johnny Smith or Johnathon Walker

- 4. In step 4 you will be prompted to upload your physical form completed and signed by your doctor and parent. You may skip this step if you plan to bring your physical to the office.
- 5. Complete all seven steps in the registration. At the end of the registration is where you will pay the Sports fee by credit card. *Please note: that until the sports fee is paid, your registration is not complete. If your athlete does not make a team, your sports fee will be refunded.*
- 6. Once you have submitted your registration, you will be sent a confirmation email notifying you of your registration completion. Your registration will say "pending" until it is cleared by the Athletic office.

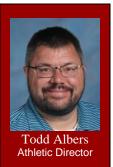

****All Athletes must be registered and have their physical submitted before the first day of practice.****

MILWAUKEE LUTHERAN BAND BACK FROM FLORIDA TOUR

Milwaukee Lutheran's touring band, along with chaperones, recently return from Florida, the first band tour since prior to Covid. The band participated in the Music and Art of Foley Workshop at Universal Studios, where students created an entire scene of *Despicable Me*, from music to voice overs to sound effects. At Disney's Soundscapes Workshop, band members learned new

music in two and one-half hours, then recorded the soundtrack to a scene from the movie *Tangled*. The students enjoyed the parks at Universal Studios and Disney World. The weather was not always sunny, but it was warmer than Wisconsin! For many students, it was a travel adventure filled with new opportunities to learn and grow. We are all looking forward to another band tour in 2024!

SNOW DAYS In the event severe weather conditions would occur, please check one of the local media

outlets for information on school closings. Our recommendation is that you check the WTMJ website (www.todaystmj4.com) for the earliest and most up-to-date information. Other media outlets broadcasting school closings include:

Television: WTMJ-4, FOX-6, WISN-12, CBS-58 Radio: 94.5 KTI Country, 620WTMJ

Internet: fox6now.com/weather, WISN.com, cbs58.com

Since our students come from many parts of the metropolitan area, weather conditions may vary from one area to another. Please use discretion in sending your child to school even though school may be in session. A guideline to use in making your decision would be the decision that your local public school district has made. (Example: If you live in Cedarburg and the Cedarburg school district has closed due to the weather, consider keeping your child home from school that day.)

In the event that a sudden snowstorm forces school to close before the regular closing time, make certain that your child knows exactly where to go and what to do should no one be home during the school day.
