ENERGY STAR® Certified HVAC Equipment Rebate Application Form

Acknowledgement

By signing this application, I agree to the terms and conditions of this document and certify that the information I have provided is true and accurate.

Contractor	Signature:	Date:	Print Name:

HVAC Equipment Terms and Conditions

- Equipment and services must be purchased and installed between June 1, 2021, and May 31, 2026.
- Residential customers are eligible for one HVAC Maintenance (Tune-Up) tune up rebate per unit every 3 calendar years starting June 1, 2021.
- Rebate application must be submitted within 90 days of HVAC equipment installation or date of service for HVAC Maintenance and be postmarked or submitted online by June 6, 2026. Must submit one rebate application form per unit.**
- Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
- It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will prevent processing of your application.
- Rebate payments are based on the equipment installation date or for HVAC Maintenance on the date of service. Customers must abide by the rules and rebate levels in effect on the date of installation. Rebate levels cannot exceed the cost of an HVAC Maintenance Tune-up or the cost of equipment.
- Purchase must be of a qualified high-efficiency electric central air conditioner, heat pump, geothermal heat pump or ductless mini split heat pump as defined in the table on this rebate application form. Both the condenser and coil/indoor unit must be replaced and installed as a matched set as defined by AHRI.
- The efficiency levels are based on the Air-conditioning, Heating, Refrigeration Institute (AHRI) certified performance criteria of an outdoor unit and indoor coil (and/or furnace/blower) working together. These ratings are found on the AHRI directory.org website. All ENERGY STAR-certified equipment must be listed at energystar.gov in order to participate in this program. Both the outdoor unit and coil /indoor unit must be replaced and installed as a matched set.
- FirstEnergy's Pennsylvania utilities and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
- Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
- Payment will be issued to the account holder at mailing address on record with the utility or to submitting contractor as assigned by customer through their signature on this rebate form.
- Please allow up to 30 days from the date all required information is received to process your rebate(s).
- Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
- You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
- FirstEnergy's Pennsylvania utilities and Franklin Energy, their parents, subsidiaries, affiliates, officers, employees, contractors and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the contractor.
- The customer hereby agrees to indemnify, defend and hold harmless, FirstEnergy's Pennsylvania utilities, their parents, subsidiaries, affiliates, officers, employees and agents from any and all liability associated with this project.
- I understand that I may be contacted by FirstEnergy's Pennsylvania utilities via survey or questionnaire to provide feedback on my satisfaction with the program.
- By submitting this application, customer agrees to the terms and conditions of this document and certify that the information I have provided is true and accurate.
- By submitting this rebate application, you acknowledge FirstEnergy's Pennsylvania utilities right to audit this application and if requested, you will allow a representative from First Energy's Pennsylvania utilities reasonable access to verify installation of qualifying product(s).
- By participating in these energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market with proceeds being used to offset the program costs.
