

V-ONE™  
HEMP HEART OIL

## An Innovative Ingredient V-ONE™ Hemp Heart Oil

Hemp-derived ingredients are experiencing a well-deserved renaissance as one of the most on-trend, natural personal care and beauty product raw materials. Consumer demand for all things hemp is expected to grow exponentially in the coming years.

INCI NAME: Cannabis Sativa Seed Oil CAS NUMBER: 89958-21-4

EC NUMBER: 289-644-3 COSING NUMBER: 55065

## VICTORY HEMP

Victory Hemp Foods is a Public Benefit Corporation, founded in 2015 and focused on clean, sustainable approaches to bringing the benefits of hemp to the world. The company is headquartered in Carrollton, Kentucky. Its catalog includes high-quality hemp ingredients from oils to protein concentrates, designed to meet the performance needs of the food and personal care sectors. Victory Hemp sees hemp powering consumer products that are good for our bodies and the planet.

### COMMITMENT TO SUSTAINABILITY

The sustainability commitment starts with sustainable agricultural partners and a transparent supply chain approach that flows through the company's eco-friendly extraction methods (solvent-free mechanical pressing).

Victory Hemp is always committed to clean processing, V-ONE™ Hemp Heart Oil is made without the use of GMOs, harsh chemical solvents, such as hexane and strong alkalis. Additionally, there are no intense physical processing steps like steam distillation or the typical unsavory refining steps often used by standard “refined” oils.

**TRADITIONAL**  
Cold Pressed  
Hemp Seed Oil

Translucent, semi-opaque,  
dark green oil with strong  
herbaceous odor

**NEW**  
V-ONE™  
Hemp Heart Oil

Translucent, brilliantly clear,  
light yellow oil with  
neutral odor

## Perfect For Skin Care

**Victory Hemp's innovative V-ONE™ Hemp Heart Oil** comes from the mechanical-pressed, nutrient-dense hemp hearts found inside hemp seeds. This natural, proprietary extraction process retains the hemp seed's famed perfect fatty acid, anti-inflammatory, and highly emollient profile while at the same time yielding a dry, ultra-light color, exceptionally versatile oil. This makes V-ONE™ ideal for use in manufacturing personal care and beauty products requiring odorless and colorless natural ingredients.

## Uses and Benefits

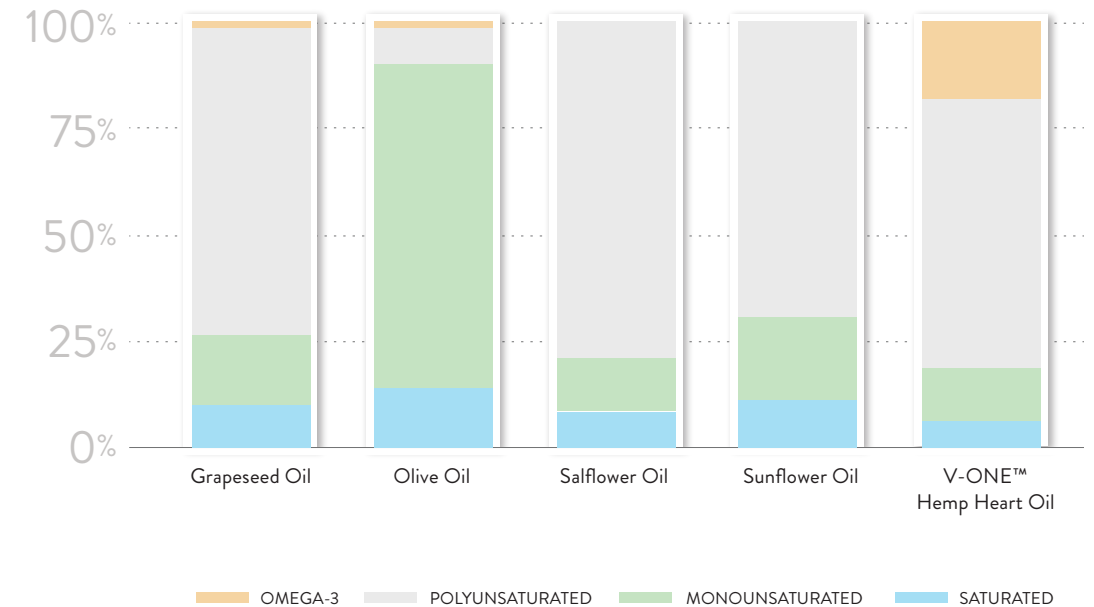

### IDEAL FOR

- Baby Care
- Barrier Balms
- Cleansers
- Color Cosmetics
- Deodorants
- Face Creams
- Face Masks
- Hair Care
- Lip Products
- Massage Oils
- Non-Woven Wipes
- Oral Care
- Soaps
- Sun Care

### KEY BENEFITS

- Natural Oil
- Very Low Odor And Color Impact
- Sustainably Grown & Processed
- Certified Organic Available
- Made Without Solvents
- Made Without Hexane
- Made Without Bleaching Agents
- Multi-Functional Oil
- Supports Emolliency
- Does Not Clog Pores
- Improves Skin Barrier
- Contributes To More Radiant Hair
- Improves Skin Texture
- Anti-Inflammatory Properties
- Excellent For Sensitive Skin
- Reduces Dryness
- Imparts Superior Skin Feel
- Offers Intense Hydration

## Composition of Selected Oils

## Properties

**Function:** Emollient, Skin Conditioning

**Appearance @ 25°C:** Clear liquid

**Solubility:** Oil

**Color:** Light straw-colored

**Odor:** Mild and neutral, very lightly nutty

**Smoke Point:** 166°C / 330°F

Specifications and Process

SUGGESTED USE

0-100%

ORIGIN

Made in the U.S.A. from U.S.A. sustainably grown hemp grain.

METHOD OF EXTRACTION

The shell of the hemp seed is removed revealing the highly nutrient-dense interior hemp heart (i.e. nut). Pressing the hemp heart through a proprietary process yields a beautifully light colored, neutral oil that retains its highly-prized fatty acid properties.

AVAILABLE IN

- Sample Bottles: 4 oz.
- Plastic Jugs: 1 Gal. (7.4 lbs.)
- Recyclable HDPE Rectangular Pail: 5 Gal. (37 lbs.)
- Corrugated IBC: 275 Gal. (407 lbs.)
- HDPE Tote: 275 Gal. (2035 lbs.)

STORAGE CONDITIONS:

Store in a cool (50°-77°F / 10°-25°C), dry place, away from direct sunlight. Bring to room temperature before using.

SHELF LIFE:

Best if used by 12 months from the manufacturing date. Once opened, use within two weeks.

Non-comedogenic

Neutral Scent & Flavor

Minimally Processed without the use of GMOs and harsh chemical solvents, such as hexane and strong alkalis

Perfect Balance of Omega 6 / Omega 3 Fatty Acids at 3:1

22% Omega-3

Dry, Emollient Oil
