Transportation Information

To keep our residents and staff safe during these challenging times, the following changes have been made, effective immediately. We will update bus trips as guidelines change.

- We are reducing the number and length of trips.
- We will transport only one property at a time to reduce possible cross exposure among the properties.
- Every resident will have their temperature checked and be asked the same health questions we have already implemented.
- Every resident will clean their hands with an anti-bacterial wipe before getting on the bus.
- Residents are required to wear a mask on the bus at all times.

RESERVATION POLICY

Call the transportation phone line at 431-9767 by 4 pm the business day prior to the trip. Please leave the following information for John:

by Knowlton Residents & Staff

*Our lives go on without you
But nothing is the same
We have to hide our heartache
When someone speaks your name
Sad are the hearts that love you
Silent are the tears that fall
Living here without you is the hardest
part of all*

*You did so many things for us
Your heart was kind and true
And when we needed someone
We could always count on you
The special years will not return
When we are all together
But with the love in our hearts
You walk with us forever*
