# Certification Path 8: SYSPRO User Cost Accounting Role

The Cost Accounting Role certification path is aimed at **SYSPRO Users** who may perform the role of **Cost Accountant**. This path focuses on the SYSPRO 8 solutions which are used to maintain, manage, and calculate different cost types, and measure financial performance.

**Prerequisite**: None

The Level 1 certification assesses users on basic ERP industry, inventory, and manufacturing terms and navigating the SYSPRO 8 interface and programs. It also assesses users on the basics of SYSPRO's financial solutions, including general ledger integration, cash management, and general ledger management.

The Level 2 certification assesses users on the SYSPRO 8 solutions which users in the Costing Accounting role use to perform their duties. These include but are not limited to the *Inventory* and *Bill of Materials* modules, as well as the **What-if Costing**, **Activity Based Costing**, **Landed Cost Tracking** and **GL Integration** features and functions.

The Level 3 certification assesses users on the Cost Accounting role within the purchasing and inventory management processes.
