

Kristian Johansen

Chief Executive Officer / TGS

About Kristian

Kristian joined TGS in 2010 as Chief Financial Officer and became Chief Operating Officer in early 2015 before being appointed Chief Executive Officer in March 2016.

Prior to joining TGS, Kristian was the Executive Vice President and CFO of EDB Business Partner in Oslo (now Evry). Mr. Johansen also has experience from executive positions in the construction, banking and oil industries. A native of Norway, Kristian earned his undergraduate and master's degrees in business administration from the University of New Mexico in 1998 and 1999.

About TGS

TGS is the world's largest geoscience data provider, known for its asset-light, multi-client business model and global data library. TGS employs approximately 700 employees and has its corporate headquarters in Asker, Norway, and its operational headquarters in Houston, Texas, U.S.A. The company's other main offices are in Calgary, Woking and Perth, with further employees located in other cities around the globe. The company's stock is traded on the Oslo Stock Exchange and is part of the OBX Index (25 most liquid shares at the OSE) and has a market capitalization of approximately USD 3.6 billion (December 2019).

The Company's primary business is to provide geoscience data to energy companies worldwide. The company offers extensive global libraries that include seismic data, magnetic and gravity data, multi-beam and coring data, digital well logs and production data. Additionally, we offer advanced processing and imaging services, interpretation products and data integration solutions.
