UNLEASH

YOUR PATIENT'S INNER GAMER

- Rolls up close to patients in bed
- Motivates patient interaction
- Fun for 1 or 2 players
- Recreational therapy distracts & heals
- Includes a variety of games for all ages

Built For Rugged Healthcare Use

The GO-GO™ Gamer Cart includes a hospital-grade HDTV and a Sony PS4, securely mounted for theft resistance, with a variety of pre-installed games for your patients. Hospital staff can set a policy to allow online play with friends, if desired.

- Fully integrated components with sleek, internal cable management
- No network connectivity required at the bedside
- Includes pre-installed games plus two controllers
- Built for stringent hospital sanitation
- Safe, AC power with extra-long cord and grounded plug
- Optional Articulating Arm for TV mount. Allows "Flat-time" viewing for patients who must remain flat on their back to enjoy movies or fun
- Minimal assembly required, just attach the TV
