WELCOME TO THE RAPID! PAYCARD

Learn more about the rapid! PayCard[®] Visa[®] Payroll Card.

What is the rapid! PayCard?

It is a prepaid card that does not require a credit check¹; therefore, only an identity check is needed and most people qualify. It allows you to collect and spend your pay without hassle or inconvenience. A rapid! PayCard can be used at millions of ATMs and merchant locations worldwide, anywhere Visa debit cards are accepted. This card provides you with safety and security over carrying cash.

With your PIN, you may use your card to obtain cash from any Point-of-Sale ("POS") device, as permissible by merchant that bears the Visa, Interlink®, STAR®, Accel/Exchange® and PLUS® brand. With your PIN, you may use your card to obtain cash from any Automated Teller Machine ("ATM") that bears the Visa, Interlink®, STAR®, Accel/Exchange®, PLUS®, Allpoint®² or MoneyPass®² brand. All ATM transactions are treated as cash withdrawal transactions.

What is the difference between the personalized rapid! PayCard and the instant issue rapid! PayCard?

The first card you receive is the instant issue rapid! PayCard. It has a Visa brand mark but it does not have your name embossed on it. When you call Customer Support 1.888.727.4314 to activate this card you may also request an upgrade to a personalized card with your name embossed on it at no additional cost. When the personalized rapid! PayCard arrives in the mail (7-10

business days) the instant issue card remains fully usable until you activate your new personalized card.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW CARD ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens a Card Account. What this means for you: When you open a Card Account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see a copy of your driver's license or other identifying documents.
