

# How many minutes per day are you overpaying your employees?

Meet Doug.

Doug works...  
9:04 - 4:56  
But...he enters

9:00 - 5:00  
On his timecard,  
a difference of...

**8** Minutes  
at a rate of...  
\$11/hour

"It's only 8 minutes,  
what's the big deal?"

If you have 25 "Dougs"  
approximating their time cards  
"just" 8 minutes a day

**BREAK IT DOWN**

**\$184** Weekly  
**\$367** BiWeekly  
**\$794** Monthly

Here's what you can  
**SAVE ANNUALLY**

**\$9/HR**      **\$7800**  
**\$10/HR**    **\$8667**  
**\$11/HR**    **\$9529**
