

COVID-19 PAPERLESS ADVANTAGE™

Irwin's PAPERLESS ADVANTAGE™ eliminates unnecessary human interaction reducing your team's exposure to COVID-19.

Irwin's has always supported essential services. Today, we stand ready to keep your workforce safer during COVID-19.

Irwin's began digitizing Safety Management over 5 years ago. Now, more than ever, it is time to take your safety program paperless. By leveraging our suite of field-tested industrial strength softwares you will immediately reduce your workforce's human interactions and introduce new efficiencies making data easier to access, to report on and to share. Going paperless is a cornerstone of "The IRWIN'S ADVANTAGE"

"Go Paperless to Keep Your Workforce Safer During COVID-19."

THE IRWIN'S ADVANTAGE
