

Appendix A: Current Relationships - BC

IRWIN'S Safety operates in remote communities as well as cities across BC, with a large presence in Northern BC. Our relationships with the following clients have been built through training suites designed around the industries operating in their local communities, including ours.

The following is a brief outline of the work we have performed in First Nations communities across BC over the last 18 months:

Nisga'a Lisism

(Several) Entry-level worker course suites including wildlife awareness for outdoor work - to capitalize on industry opportunities in remote community.

Emergency Services Training Suite: Confined Space and High-Angle Rescue Technician, EMR, Paramedic Prep, industrial safety training. From a cohort of 12 Students, each successful student offered opportunities to work with IRWIN'S Safety following this training.

PGNAETA

1. Emergency Services Training Suite: Confined Space and High-Angle Rescue Technician, EMR, Paramedic Prep, industrial safety training. From a cohort of 12 Students, each successful student offered opportunities to work with IRWIN'S Safety following this training.
2. Entry-level worker program tailored to local projects

Lhai Ventures Limited Partnership

This is a recently formed alliance with Stelat'en First Nation, Nadleh Whut'en First Nation, Saik'uz First Nation and Lheidli T'enneh First Nation as the members. IRWIN'S Safety has an ongoing services agreement to work in partnership in their territory to provide safety services.

Okanagan Nation Alliance

A Health and Safety Program Gap Analysis was completed for this alliance to identify the required improvements needed to be compliant with provincial and federal legislation.

Westbank First Nation

1. Organizational gap analysis.
2. Assistance with and redevelopment of incident management process
3. Selection and mentorship of in-house safety representative to improve Nation's ability to become self sustaining in matters related to OHS
4. Development and delivery of New & Young Worker Program
5. Industrial Safety Training suite

Shuswap Nation

Experienced personnel provided to mentor site safety coordinators and medics during highway bush clearing/tree falling, including all emergency response equipment.

Saik'uz First Nation

Entry-level worker program tailored to local industry.
