*Laid before the Scottish Parliament at 4.30 p.m. on 13th August 2020*

*Coming into force - - - - 14th August 2020*

The Scottish Ministers make the following Regulations in exercise of the power conferred by paragraph 1(1) of schedule 19 of the Coronavirus Act 2020(a) (“the Act”) and all other powers enabling them to do so.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

The Scottish Ministers consider that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with paragraph 6(2) and (3) of schedule 19 of the Act, the Scottish Ministers are of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by, a resolution of the Scottish Parliament.

## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations amend the Health Protection (Coronavirus) (Restrictions) (Scotland) Regulations 2020 (“the principal regulations”).

Regulation 2(3) inserts a new regulation 4ZA into the principal regulations. It requires a person responsible for certain premises to collect information about visitors to those premises, including the visitor’s contact details and the date and time of arrival. The regulation makes provision for the recording, storage and retrieval of the visitor information in a system suitable for that purpose and for the retention period of the information. Paragraph (4) further provides for the visitor information to be provided by the person responsible for the premises to public health officers, if so requested, within a certain time period and for certain purposes. Regulation 2(4) amends regulation 8(1) of the principal regulations to provide that it is an offence to contravene a requirement in new regulation 4ZA.

Regulation 2(2) and (5) are consequential to the insertion of new regulation 4ZA, with the effect of defining “premises” for the purpose of the principal regulations.
