

# DESSA Comprehensive SEL System Recommended Timeline for Full Year Implementation

## Notes:

- Score categories include *Strength* range (T-score of 60 and above), *Typical* range (T-score of 41 to 59), and *Need for Instruction* range (T-score of 40 and below).
- Professional Development training sessions are available before Universal Screening and after Follow-Up Assessment.
- DESSA-mini refers to DESSA-mini and DESSA-HSE mini. DESSA refers to DESSA, DESSA-HSE, and DESSA-SSE.
- DESSA results are used to guide targeted instruction for individual students/groups of students.
- Progress monitoring results are used to adjust targeted instruction.
