ABOUT THE CONFERENCE

The Great Game of Business Conference® is the only conference where the open-book community comes together from around the world to learn, share and celebrate the principles and practices of the Great Game of Business and open-book management. Participants at the 2021 conference included almost 1,000 business leaders from companies considering implementing open-book management to long-time practitioners of the Great Game of Business, all ready to share best practices with the open-book community. More than 60 speakers and presenters conducted over 50 educational sessions, in addition to multiple main-stage presentations, and dynamic networking events.

The Great Game of Business Conference participants are excited about creating transparent workplaces where employees are educated, empowered, and engaged in driving business results. Even better, Great Game of Business Conference participants are passionate about sharing the message of open-book management with others.

In short, the Great Game of Business Conference provides an unmatched opportunity to connect with like-minded business leaders and learn the most innovative techniques for playing The Game.

HOW THE **HYBRID EVENT** WORKS

| THE KC EXPERIENCE |

We are more EXCITED than ever before to bring the community together in Kansas City! There's an undeniable, invigorating "magic" created when Great Game™ practitioners gather together to collaborate, learn from each other and challenge the status quo. Coming to KC is your opportunity to make personal connections with like-minded business people who believe in the entrepreneurial spirit of all employees.

While you're in Kansas City, you'll not only experience the in-person excitement of keynotes and breakout sessions, but we are putting extra effort into developing meaningful connections between participants through crowdsourced sessions, small group discussions, hands-on activities, structured networking activities, and everyone's favorite — the Dine Around.

| THE DIGITAL EXPERIENCE |

If you are unable to join us in Kansas City, we'll bring the conference to you!

Building on what we learned from our cutting-edge all-virtual conference in 2020 and hybrid experience in 2021, we are offering a virtual experience in tandem with the in-person event. Virtual attendees will have access to all our mainstage livestreams, plus select breakout sessions and virtual-only sessions, roundtables, and networking events designed exclusively for the virtual audience.

| BOTH EXPERIENCES |

Regardless of which Experience is chosen, ALL participants get-

- virtual pre-conference workshops on Great Game fundamentals, delivered by Great Game Certified Coaches weeks in advance of the conference
- access to the interactive conference platform to connect with the entire list of attendees before, during, and after the conference
- on-demand access to recorded sessions for 45 days after the event
- **actionable take-aways to implement right away, new connections with like-minded business people, and the inspiration and insight to re-energize your organization**

“

Every touch point that we've had with the Great Game, we've felt like we have a partner that wanted us to get the most out of this experience.

- Shezad Manjee, DHD Films

“

It's so easy to work with the Great Game in terms of getting your sponsorship put in place. There are a lot of different options, and you can really structure something that makes sense for you.

- Deanna Walker, Venturity Financial Partners
