# BOLIVIA

TOTAL CASES	TOTAL DEATHS	RECOVERED	DEATHS PER MILLION	FULLY VACCINATED
513,810	18,928	475,965	1,593	32.63%

Government Measures Outlook	Health	<ul> <li>Ministry of Health <u>confirmed</u> stock of medicines amid concerns of a fourth COVID-19 outbreak in the country.</li> <li>Bolivia to <u>evaluate</u> joint actions with Peru to enforce epidemiological surveillance and border controls.</li> <li>While Covid cases <u>increased</u> in the last few weeks, government calls local leaders to evaluate actions moving forward.</li> </ul>
	Vaccine Rollout	• More than 7.8 million people have been <u>vaccinated</u> so far nonetheless, health authorities have highlighted their concern about a slight increase in cases.
	Economic	• Bolivia <u>presented</u> a cumulative surplus of USD 1.5 billion, the best performance in seven years according to the government. Meanwhile, exports totaled over USD \$ 7 Billion, compared to imports (USD \$ 6 billion), President Arce stated last week.
	Political	<ul> <li>President Arce assisted COP26 where he urged high-income countries to take leadership in the climate change agenda, providing financing, transferring technologies, and helping low-income states along the process.</li> <li>President of Peru, Pedro Castillo, visited Bolivia within the framework of the VI Binational Cabinet meeting. The two leaders signed different agreements to promote and strengthen ties between both countries. These commitments are part of a 2020-2021 Action Plan that includes environmental, economic, and integration plans.</li> </ul>
	Economic	<ul> <li>Fitch Ratings <u>maintains</u> Bolivia's B rating with a stable outlook, government informed.</li> </ul>

# BRAZIL

TOTAL CASES	TOTAL DEATHS	RECOVERED	DEATHS PER MILLION	FULLY VACCINATED
21,821,124	608,071	21,016,876	2,834	55.3%

Government Measures	Health	<ul> <li>According to data from the Ministry of Health, the moving average of COVID-19 deaths is at its lowest level since April 2020.</li> <li>Minister of Health Marcelo Queiroga <u>signed</u> a letter of intent with the University of Oxford to promote the training of new researchers and the development of vaccines at a unit of the university in Brazil.</li> <li>The number of "health techs" in Brazil <u>doubled</u> throughout the pandemic, mainly focused on access to telemedicine.</li> </ul>
	Vaccine Rollout	<ul> <li>Minister Queiroga announced that Brazil will <u>donate</u> surplus COVID-19 vaccines to poorer countries in 2022.</li> <li>Brazil now has 154 million people (73%) partially <u>vaccinated</u> against COVID-19, along with 117 million people (55%) fully vaccinated.</li> <li>Fiocruz <u>highlighted</u> the importance of a vaccine passport in its COVID bulletin and called for vaccine requirements for certain work sectors.</li> </ul>
Outlook	Political	<ul> <li>The Liberal Party (PL) joined a growing number of parties extending formal invitations to President Bolsonaro to run on their ticket in the 2022 elections, but the President is unlikely to make a decision soon.</li> <li>The House will <u>vote</u> on the Judicial Debt PEC on November 3rd, with approval likely due to the dependence of the Brazil Aid program on the amendment for financing.</li> </ul>
	Economic	<ul> <li>The Central Bank <u>raised</u> its inflation forecast from 8.5% to 9.5% for 2021, with expectations that the SELIC interest rate could reach 11% by March 2022 to control inflation.</li> <li>Negative economic projections for 2022 are <u>proliferating</u>, with some institutions predicting negative GDP growth – attributed to the relaxation of the spending cap and electoral considerations increasing uncertainty over the Central Bank's ability to control inflation.</li> </ul>

# CHILE

TOTAL CASES	TOTAL DEATHS	RECOVERED	DEATHS PER MILLION	FULLY VACCINATED
1,698,127	37,782	1,618,825	1,954	78.54%

Government Measures	Health	<ul> <li>Lower chamber makes a <u>call</u> for the health emergency to be decreed due to the rise in obesity.</li> <li>Minister of Health Enrique Paris <u>inaugurates</u> Expo Hospital 2021.</li> </ul>
	Vaccine Rollout	<ul> <li>Around 200,000 new Pfizer doses <u>arrived</u> in the country last week.</li> <li>Ministry of Health <u>increases</u> resources to reinforce COVID-19 vaccination and testing at the local level.</li> </ul>
	Economic	<ul> <li>Constitutional Commission <u>approves</u> in general the project which allows a fourth pension withdrawal. The bill now passes to the lower chamber for its final approval.</li> <li>2022 budget <u>advances</u> at Congress amid concerns regarding its content.</li> <li>Ministry of Science <u>presents</u> officially the new Strategy on Artificial Intelligence.</li> </ul>
Outlook	Political	<ul> <li>Experts <u>addressed</u> their projections and political analysis weeks before general elections.</li> <li>Candidates <u>met</u> last week at the Universidad de Chile to discuss key issues on education, climate change, and culture.</li> <li>While Jose Antonio Kast <u>appeared</u> first in the latest Cadem poll, representatives from Chile Vamos government coalition have begun to support the far right-wing candidate, a decision questioned by centrist Sebastian Sichel.</li> <li>Ministry of Environment <u>launched</u> the Long-Term Climate Strategy.</li> </ul>
	Economic	<ul> <li>Consumer confidence index <u>reached</u> in October six months of consecutive improvement.</li> <li>The price of copper <u>falls</u> again and is at a two-week low.</li> <li>Union leaders <u>asked</u> the government to establish a new salary readjustment amid the economic reactivation.</li> </ul>

## COLOMBIA

TOTAL CASES	TOTAL DEATHS	RECOVERED	DEATHS PER MILLION	FULLY VACCINATED
5,003,977	127,311	4,847,217	2,467	41.66%

Government Measures	Health	<ul> <li>Colombia and Panama <u>signed</u> a plan to eliminate malaria.</li> <li>Ministry of Health <u>invites</u> citizens to participate along the exclusion of technologies process.</li> </ul>
	Vaccine Rollout	<ul> <li>As of November 10, those <u>registered</u> in the Temporary Protection Statute will begin their vaccination process.</li> <li>President Duque <u>approves</u> Sinovac vaccine for children aged 3-11.</li> <li>October is the month in which more doses have <u>arrived</u> in the country since vaccine rollout started.</li> </ul>
	Economic	<ul> <li>Government <u>signed</u> a decree to grant minimum wage subsidies of 25% to entrepreneurs who create new jobs for young people.</li> <li>Government <u>reported</u> more than COP \$9.8 billion in sales amid the VAT-free days, representing a growth of 130% compared to the previous year.</li> <li>Development Bank of Latin America (CAF) to <u>support</u> innovation programs, as well as cultural and creative industries actions.</li> </ul>
Outlook	Political	<ul> <li>President Duque <u>assisted</u> in the COP26 Summit meeting with environmental leaders and high-level officials from all around the globe. More than USD \$33 million was pledged to strengthen the fight against the climate crisis, reduce deforestation, and protect the Colombian Amazon.</li> <li>Colombia <u>launched</u> the Long-Term Climate Strategy 2050, which marks the roadmap the government and private sector must follow to achieve carbon neutrality by 2050.</li> <li>Centrist presidential candidate Alejandro Gaviria <u>rejected</u> the invitation of Sergio Fajardo to join the <i>Coalicion de la Esperanza</i> signaling a lack of consensus among centrists.</li> </ul>
	Economic	• September's unemployment rate <u>reached</u> 12.1%, presenting a reduction in the figures reported in the same month of 2020.

# **ECUADOR**

TOTAL CASES	TOTAL DEATHS	RECOVERED	DEATHS PER MILLION	FULLY VACCINATED
