

# Ready to take A/R Automation and Financing to the next level?

Combining A/R automation with guaranteed next day financing on all open invoices.

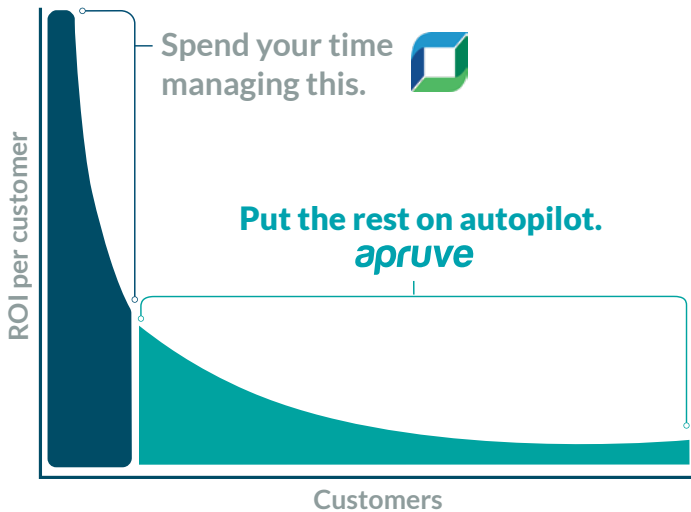

## Optimized & financed trade credit programs

Now even better together. Billtrust with Apruve enables you to simplify and accelerate the order-to-cash cycle for all your buyers.

Create an all-inclusive A/R package that guarantees next-day payments on all open invoices. While Billtrust continues to provide A/R teams with cutting edge solutions, it's partnership with Apruve gives teams the option to get automated next day payments on all open invoices for any customers they choose.

### The Enterprise B2B Long Tail:

On average, 20% of revenue comes from 80% of customers.

Let Apruve help your enterprise:

Find a 30-50% reduction in fixed cost of managing A/R in house

Decrease DSO to one day with guaranteed next-day payments for long-tail customers

Easily extend credit and get paid from international customers

Contact your Billtrust account manager to see how much long-tail automation can save your enterprise.
