

Overview

Investors in this fund are prepared to accept some risk of capital loss in the short and medium term, in order to achieve sustained real (above inflation) increase in capital growth over the long term. Portfolios will comprise, but not be limited to, a broadly balanced blend of units or shares in Equity Investments, Index Linked Gilts, Fixed Interest Funds, Property Funds, Commodities and Absolute Return Funds.

Investment Objective

This strategy aims to preserve the investor's savings above the rate of inflation. Given this target, the strategy also attempts to generate high growth returns through diversified investments with a maximum equity weighting of 95%.
