

Labourer / Handyperson / Shop Floor Maintenance / Goods In - Out
£– (depending on experience)
Permanent Late Shift

We are a busy engineering company in Cherrycourt Way, Leighton Buzzard and we are looking for someone to join our team a.s.a.p.

The ideal candidate will be friendly, flexible and value working as part of a team in a family run business that prioritises a happy and productive working environment over hierarchy.

The role can be physically challenging at times and requires a self-motivated, organised individual who takes pride in the quality of the job they do & the cleanliness of the environment around them.

Experience Required

- Forklift Truck is preferred but not essential as training will be provided.
- Goods In / Out experience.
- General duties will include cleaning of facilities, equipment and machines and assisting engineers with the daily upkeep of machinery.
- Basic knowledge of hand and power tools such as screwdrivers, wrenches, hammers, saws & drills would be an advantage.
- Able to work under your own initiative, troubleshoot problems and work with little or no supervision.
- It would be beneficial if you have worked within an engineering machine shop environment.
- Have a hands-on, quality driven, positive, self-motivated manner in order to be able to hit the ground running

Package and Benefits:

- Salary depending on experience.
- The position is full-time and permanent.
- The hours will be:
Nights Monday – Wednesday 4.30pm – 3.30am
Thursday 4.30pm – 1.30pm
- Holidays are 20 days + 8 Bank Holidays + Bonus holiday over the Christmas Period
- Government Pension Scheme
- Health Care Scheme
- Excellent working conditions
- Free Onsite Parking

Company Profile:

The company is family owned and run, has an excellent reputation for honesty, flexibility, communication and continual investment and improvement in both skills and services. More information about our company is available on our website www.hone-all.co.uk
