

4. Main Panel Width Measurement

(The left image has a consistent width, the right two have different thicknesses. We need both)

**Insert Main
Panel Width
Measurement:**

5. What is the shape of the top cap? Flat top or curved?

**Please List
Top Cap
Shape:**

6. How thick are the sides of the top cap?

**Insert Top Cap
Side Thickness
Measurement:**

00P00000

0 000

We'll see if we have a good match in stock or we can fabricate new ones for you to test on your panel system.
