

Course Overview

EVERYTHING DiSC® MANAGEMENT CERTIFICATION

Everything DiSC® Management Certification is designed to increase confidence and expertise in delivering the Everything DiSC Management program. The course uses a blended-learning approach spanning four weeks, involving:

- **Self-directed online learning:** Modularized, engaging activities that allow you to absorb the content at your own pace; online activities must be completed before their corresponding live virtual-classroom session.
- **Live virtual classroom sessions:** Three 90 minute instructor-led webinars that apply online learning via small and large-group activities with peers.
- **Project Team Plan:** Ongoing assignment that promotes application of the learning to a real or potential workshop. You will present your plan for this in the third live session.

COURSE LEARNING OBJECTIVES

Learners will demonstrate:

1. Expertise in the Everything DiSC® and Management key concepts
2. Confidence and competence in facilitating Everything DiSC Management, going beyond the Facilitation Kit to spark behavioral change among manager participants
3. Ability to customize and apply the Management program to meet the needs of the modern-day manager, team, or organization

GETTING STARTED—ONLINE TRAINING CENTER

On the day the course opens, you will receive your Everything DiSC Training Center login. You have 14 days to complete prework before the first live virtual-classroom session.

EARN A CREDENTIAL

Upon successful completion of all self-directed activities, attending all live-virtual sessions, and passing the final exam, learners will earn the credential of a *Certified Everything DiSC® Management Facilitator*.

SHRM RECERTIFICATION PROVIDER

If you hold a credential as a SHRM Certified Professional or Senior Certified Professional, Everything DiSC Management Certification will award you 15 Professional Development Credits toward your SHRM certification renewal.

ONGOING SUPPORT

You will continue to have access to the course as a resource.
